16. Strength and Weaknesses of the University

16.1	Strength of the University	Flexible and adaptive interdisciplinary programmes Remedial and Bridge courses are provided for the weaker and economically disadvantageous students to provide a holistic outlook that helps them transition from K-12 to Higher Education. This effort is to enable a shift from simple problem solving to problem identification and analysis with a strong focus on community, ethics, and teamwork. Students are required to undertake a semester long Research Project with a faculty member of their choice, in an interdisciplinary manner. This is to enable them an opportunity to work with faculty and peer students on problems. Faculty Mentorship Programme is dedicated to the wellbeing of the student's fraternity to enhance and upskill the student's morale and performance. Dedicated classrooms with Smart Boards & steady internet connectivity. Free shuttle service for students, faculty and staff. Emergency medical concerns are facilitated through the Bhagavan Mahavir Institute of Medical Science (VIMS), Pawapuri (Approx. 6 kms from the KKU Campus) The gross enrollment ratio (GER) has been persistently increasing @ 13% from the previous 2 years. Further, in respect to the progress towards the gender equality (SDG 5) the university makes a progressive attempt in female social mobility. The university encourages active participation of female student enrollment (10 % increase from the previous 2 years) sports activity, internships, field survey and other campus activities. The University believes in practicum approach; thus, the following are the active

This will apply only in case where affiliation has been granted by the University.

Such provisional approval shall be subject to any decision taken after the inspection of the CLE is done by the Bar Council of India subsequently.

It shall further be conditional and is subject to compliance as per circular dated 05.02.2020 bearing No.BCI:D:158 (LE:Circulation No.01/2020), issued to all Centers of Legal education, as per the extended time of such compliance, whereby every center of Legal Education/college is required to submit a certified authenticated bank statement bearing bank stamp, date and signature, mandatorily with respect to the salary/ies being disbursed to all the teachers/faculties every three months with effect from March, 2022 on a regular basis, unless specifically sought at other intervals, and also furnish list of teachers with qualifications as per BCI and UGC Rules, and further furnish proof/receipts of fulfillment of minimum library requirements, as enumerated under Schedule-III, Rule-15, Minimum Library requirements of Legal Education Rules-which is the sine qua non of a Center of Legal Education. Certain show cause notices and compliance letters had also been issued specifically to certain Centers of Legal Education/Colleges, with conditions mentioned therein, which have to be complied too as per the time stipulations therein, and if they have not been complied with they must be complied with immediately.

An affidavit/undertaking to comply with the conditions mentioned in the above referred circular and of all the rules of Legal Education, shall be required to be submitted by way of duly notarized affidavit within 15 days of receipt of this letter by way of hardcopy and also by way of scanned copy at complianceaffiliationle2@gmail.com with heading-COMPLIANCE TO PROVISIONAL APPROVAL-REQUIREMENTS

It is made clear that if any Center of Legal Education, fails to submit all the required documents as sought by way of the afore referred circular and the show cause notices (where applicable), and the compliance letters, already issued, then their application for extension of approval for 2022-2023 shall not be considered and, if, approval is granted for the academic session 2022-2023, it may be withdrawn.

You may kindly bear in mind that the Bar Council of India is the sole and supreme sanctioning authority for seats and as a general rule it does not allow any supernumerary quota of seats for law degree courses, over and above the sanctioned strength of seats and whatever reservation of seats is to done by the University as a general rule has to be done within sanctioned strength of seats.

The Center/s of Legal Education/College may take a note of the above mentioned facts and furnish compliance of the same and of the other rules and regulations of Legal Education, including the stipulations specified in the above

said referred circular/s, show cause notices and compliance letters, and in ANNEXURE-A, attached to this provisional approval of affiliation letter, which is required be complied with adequate documentary proof and by way of a

(ख) प्रायोजक निकाय की पृष्ठभूमि अर्थात् शिक्षा के क्षेत्र में उसकी विशेज्ञता एवं अनुभव, उसकी सामान्य ख्याति आदि तथा विनियामक निकायों के मानदंडों को पालन

K.K. UNIVERSITY 803115 NALANDA

करने की उसकी प्रतिबद्धता;

(ग) उपलब्ध कराये जाने वाले प्रस्तावित पाठ्यक्रमों की संभाव्यता, अर्थात् पाठ्यक्रम समसामयिक मांगों की अपेक्षाओं के अनुसार मानव संसाधनों को विकसित करने में समर्थ हो, पाठ्यक्रम में नई-नई विशेषताएं (फीचर) हों और शिक्षा (लर्निंग) की उभरती शाखाएं भी सम्मिलित हों;

(5) उप-धारा (4) के अधीन प्रस्ताव एवं परियोजना रिपोर्ट पर विचार करते समय समिति प्रायोजक निकाय से ऐसे अन्य विवरण की मांग कर सकेगी जो उसे इस प्रयोजनार्थ यथोचित लगे।

(6) समिति अपनी रिपोर्ट अपने गठन की तारीख से एक माह के भीतर शिक्षा विभाग को देगी:

परन्तु, एक माह की अवधि की गणना करने में उपधारा (5) के अधीन किसी जानकारी की अध्यपेक्षा जारी किए जाने की तारीख से प्रारंभ होने वाली तथा अध्यपेक्षित जानकारी समिति को समर्पित की जानेवाली तारीख को समाप्त होने वाली अवधि का अपवर्जन किया जायगा।

5 आशय-पत्र जारी करना तथा अनुपालन प्रतिवेदन (रिपोर्ट)।- (1) धारा-4 के अधीन गठित समिति का प्रतिवेदन प्राप्त होने के बाद, यदि राज्य सरकार का समाधान हो जाए कि विश्वविद्यालय स्थापित करना वांछनीय है तो वह आशय पत्र जारी कर सकेगी और प्रायोजक निकाय से कहेगी कि वह:-

(i) इस अधिनियम की धारा-11 के उपबंधों के अनुसार अक्षयनिधि स्थापित करे;

(ii) यदि पहले से उपलब्ध न हो तो नगरपालिका क्षेत्र के बाहर कम से कम 10 एकड़ जमीन या नगरपालिका क्षेत्र के भीतर 5 एकड़ भूमि अपने स्वामित्व में ले;

(iii)यदि पहले से उपलब्ध न हो तो प्रशासनिक प्रयोजनार्थ तथा अकादमिक कार्यक्रमों के संचालन करने के लिए न्यूनतम 10,000 वर्गमीटर आच्छादित स्थान का निर्माण करे;

(iv) कम से कम 10 लाख रुपये की या नियामक निकायों के मानकों के अनुसार जो भी उच्चतर हो, पुस्तकों और जर्नल का क्रय करे और यह वचनबद्धता दे कि प्रथम तीन वर्षों के अन्तर्गत न्यूनतम 50 लाख रुपये या नियामक निकायों के मानकों के अनुसार, जो भी अधिक हो, पुस्तकों, जर्नल, कम्प्यूटर, पुस्तकालय, नेटवर्किंग तथा अन्य सुविधाओं पर निवेश करेगा ताकि समकालीन शिक्षा एवं शोध के लिए पुस्तकालय सुविधायें पर्याप्त हो जाएँ;

(v) 20 लाख रुपये या नियामक निकायों के मानकों के अनुसार, जो भी अधिक हो, उपकरण, कम्प्यूटर, फर्नीचर एवं अन्य चल एवं अचल आस्तियों तथा आधारभूत संरचनात्मक सुविधाओं (ऊपर खंड (iii) में निर्दिष्ट भवनों से भिन्न) का क्रय करे, न्यूनतम एक करोड़ रुपये के या नियामक निकायों के मानकों के अनुसार, जो भी अधिक हो, उपकरण, कम्प्यूटर, फर्नीचर, अन्य चल एवं अचल आस्तियाँ और आधारभूत

K.K. UNIVERSITY 803115 NALANDA

संरचनात्मक सुविधाएं (ऊपर खंड (iii) में निर्दिष्ट से भिन्न) उपाप्त कर लेगा;

(vi) यह वचनबद्धता करे कि विश्वविद्यालय द्वारा शुरू किए जाने वाले हरेक विभाग या विषय में आवश्यक सहायक कर्मचारियों के साथ-साथ कम-से-कम एक प्राध्यापक, दो सह-प्राध्यापक और पर्याप्त संख्या में सहायक प्राध्यापक की नियुक्ति करेगा;

(vii) यह वचनबद्धता करे कि नियामक निकायों के मानकों के अनुसार छात्रों के लाभार्थ पाठ्यक्रम से सहबद्ध क्रियाकलापों, यथा-सेमिनार, वाद-विवाद, क्विज कार्यक्रम तथा पाठ्येतर क्रिया-कलापों, यथा-खेल, क्रीड़ा, राष्ट्रीय सेवा कोर, राष्ट्रीय सेवा स्कीम, स्काउट एवं गाइड्स आदि की सुविधाएँ प्रदान करेगा;

(viii) यह वचनबद्धता करे कि विश्वविद्यालय के कर्मचारियों के लिए भविष्य निधि की स्थापना करेगा और कल्याणकारी कार्यक्रमों को अपनाएगा; और

(ix) विश्वविद्यालय अनुदान आयोग, अखिल भारतीय तकनीकी शिक्षा परिषद् या संघ सरकार या राज्य सरकार की किसी विधि द्वारा स्थापित किसी अन्य कानूनी निकाय द्वारा यथाविहित शर्त्तों की पूर्त्ति करेगा तथा यथाविहित अन्य जानकारी उपलब्ध कराएगा।

(2) प्रायोजक निकाय उपधारा (1) में विनिर्दिष्ट अपेक्षाओं एवं शर्तों को पूरा करेगा तथा आशय-पत्र जारी किऐ जाने की तारीख से अधिकतम दो वर्षों के भीतर राज्य सरकार को अनुपालन प्रतिवेदन देगा ।

(3) यदि प्रायोजक निकाय उप धारा (1) के उपबंधों का अनुपालन करने में विफल रहा हो तो धारा-4 के अधीन प्रस्तुत किया गया उसका प्रस्ताव अस्वीकृत हो जाएगा और उपधारा (1) के अधीन उसे जारी किया गया आशय-पत्र वापस लिया गया माना जायगा ।

6 विश्वविद्यालय की स्थापना।- धारा-5 की उपधारा (2) के अंतर्गत समर्पित अनुपालन प्रतिवेदन के विचारोपरान्त यदि सरकार का समाधान हो जाय कि प्रायोजक निकाय ने धारा-5 की उपधारा (1) के प्रावधानों का अनुपालन किया है तो राजकीय गजट में अधिसूचना प्रकाशित कर एक निजी विश्वविद्यालय को यथा नाम, स्थान, क्षेत्राधिकार, जो अनुसूची में वर्णित हो, से कार्य करने की अनुमति प्रदान करेगी।

7 विश्वविद्यालय का निगमन।- धारा-6 के अधीन स्थापित हरेक विश्वविद्यालय अधिनियम की अनुसूची में यथा विनिर्दिष्ट नाम से निगमित निकाय होगा और उसका शाश्वत उत्तराधिकार एवं सामान्य मुहर (सील) होगी । उसे चल और अचल दोनों प्रकार की संपत्ति अर्जित करने तथा धारण करने और संविदा करने की शक्ति होगी तथा यह उक्त नाम से वाद ला सकेगा एवं उस पर वाद चलाया जा सकेगा ।

8 विश्वविद्यालय स्वयं वित्त पोषित होगी।- विश्वविद्यालय स्वयं वित्त पोषित होगा और राज्य सरकार से किसी तरह के अनुदान अथवा आर्थिक सहायता प्राप्त करने का हकदार नहीं होगा ।

9 भूमि की आवश्यकता।- कोई भी विश्वविद्यालय तब तक स्थापित नहीं होगा जब तक प्रायोजक निकाय के कब्जे में

(I)- नगरपालिका क्षेत्र के बाहर कम-से-कम 10 एकड़ भूमि न हो, अथवा

(II)- निगम क्षेत्र के अन्दर कम से कम 5 एकड़ भूमि न हो।

10 किसी महाविद्यालय अथवा संस्थान को संबद्धीकरण की शक्ति का अभाव।- विश्वविद्यालय किसी महाविद्यालय अथवा संस्थान को संबद्धता प्रदान करने का कार्य नहीं करेगा:

K.K. UNIVERSITY 803115 NALANDA

परन्तु विश्वविद्यालय विभिन्न विषयों, यथा-चिकित्सा विज्ञान, दंत विज्ञान, आभियांत्रिकी इत्यादि में अपना संकाय/विभाग/स्कूल की स्थापना करने में सक्षम होगा ।

11 सहायतार्थ निधि।- (1) प्रायोजक निकाय विश्वविद्यालय हेतु कम से कम 1 (एक) करोड़ रूपये की राशि की एक सहायतार्थ निधि स्थापित करेगा ।

(2) इस सहायतार्थ निधि का उपयोग सुरक्षा जमा के रूप में विश्वविद्यालय को इस अधिनियम के प्रावधानों का अनुपालन करने एवं इस अधिनियम, परिनियम एवं अध्यादेश के अनुसार कार्य करने को सुनिश्चित करने हेतु किया जायगा। सरकार के पास सहायतार्थ निधि को पूर्णत: या अंशत: जब्त करने की शक्ति होगी यदि विश्वविद्यालय अथवा प्रायोजक निकाय इस अधिनियम, अथवा इसके अंतर्गत बनाये गये परिनियम, अध्यादेश या नियम का उल्लंघन करता है।

वाराणसी। साड़ी व्यापारी आसिफ अहमद ने रविवार भोर में चार बजे तीन बाइक पर सवार विशाल सिंह व आठ अज्ञात के खिलाफ मारपीट, लूट समेत कई धाराओं में केस दर्ज कराया। आसिफ के अनुसार वह दो दोस्तों के साथ मलदहिया स्थित रेस्टोरेंट में पार्टी करके लौट रहे थे।

इसी दौरान विशाल सिंह आया और गाली गलौज करने लगा। विरोध करने पर उसके साथियों ने मारपीट कर चेन छीन लिया। वहीं सिगरा इंस्पेक्टर राजीव रंजन उपाध्याय का कहना है कि शराब पीने के बाद मारपीट हुई थी। मामले की जांच की जा रही है।

दुस्साहस

- वाराणसी से कार से घर लौट रहे थे व्यवसायी महेंद्र रस्तोगी
- बदमाशों ने पेट में मारी गोली, चार अज्ञात के खिलाफ मुकदमा

वाराणसी/सकलडीहा (चंदौली) | हिटी

चंदौली में बदमाशों ने बर्तन व्यवसायी को गोली मारकर कार, नकदी और मोबाइल लूट ली। वारदात के बाद बदमाश अपनी कार छोड़कर फरार हो गए। पुलिस और ग्रामीणों ने गंभीर हालत में व्यवसायी को सीएससी पहुंचाया जहां से वाराणसी रेफर कर दिया गया।

महेंद्र रस्तोगी पुत्र पुष्कर रस्तोगी निवासी कमालपुर कस्बा की कमालपुर बाजार में बर्तन व इलेक्ट्रॉनिक की दुकान है। महेंद्र ने एक सप्ताह पहले ही नई ब्रेजा खरीदी है। वह शनिवार रात साढ़े 11 बजे वाराणसी से अपनी कार से घर लौट रहे थे। धरहरा गांव के समीप पेट्रोल पंप के पास अल्टो कार सवार चार बदमाशों ने ओवरटेक कर रोक लिया। बदमाशों ने कार लूटने का प्रयास किया। लेकिन विरोध करने पर बदमाशों ने महेंद्र के पेट में गोली मार दी।

चर्चा में है पॉकेट टॉक नामक गैजेट

एक जापानी कंपनी का अनुवादक गैजेट इन दिनों बनारस के गैर पंजीकृत टूरिस्ट गाइडों के बीच चर्चा में है। अब तक किसी ने यह गैजेट खरीदा तो नहीं है, लेकिन सोशल मीडिया के जरिए इससे वाकिफ जरूर हैं। यह अंडाकार उपकरण आसानी से जेब में रखा जा सकता है। इस उपकरण में दुनिया की 74 भाषाओं के अनुवाद की क्षमता है।

जापानी, कोरियन और चाइनीज पर्यटकों के साथ संवाद के लिए लोकल एस्कॉर्ट चलते हैं। लोकल एस्कॉर्ट न मिल पाने की स्थिति में दिल्ली से ही उनकी मातृभाषा के जानकार उनके साथ चलते हैं।

IMPORTANT INFORMATION FOR DEPOSITORS

1. As per section 194A of the Income Tax Act, 1961, interest, other than interest on securities, shall be liable to TDS at the applicable rate for interest if the projected interest exceeds the prescribed limit during the financial year (Please refer the section 194A of the Income Tax Act, 1961, for detailed provisions for tax deducted at source)
2. If you are tax resident in India and eligible for non-deduction of tax at source (not being a company or firm) from interest on fixed deposits under section 197A (1A) of the Income tax Act, you can visit your branch and submit declaration in Form 15G duly signed in duplicate.
3. If your interest income (paid or credited) on fixed deposits by all branches of the bank exceeds the maximum amount which is not chargeable to income-tax as provided u/s 197A(1B), TDS will be deducted even if you have submitted Form 15G / 15H.
4. Senior Citizen customers, 60 years and above can submit declaration in Form 15H duly signed in duplicate, subject to eligibility under section 197A(1C) of the Income Tax Act, for non- deduction of TDS from interest on term deposits (Senior Citizen rates are not applicable for NRI Customers)
5. A fresh declaration in Form 15G/15H, both for non-cumulative and cumulative fixed deposits, is required to be submitted at the start of each financial year. (Not applicable for NRI Customers)
6. Declaration in Form 15G/H shall be invalid unless correct PAN (of the first holder in case of joint holders) is furnished in the declaration and consequently interest payable to such customer shall be liable for deduction of tax at source at higher rate of 20%
7. It shall be mandatory for deductees (customers) to furnish PAN details (of the first holder in case of joint holders) to deductor (Axis Bank Ltd.) failing which Tax on interest on deposits held by residents shall be deducted at source @ higher rate of 20% instead of normal 10%
8. Where PAN provided to the deductor is invalid or does not belong to the customer, it will be ignored and the higher rate of TDS(20%) shall be applicable
9. Banks are mandatorily required to issue Form 16A generated through TIN central system of Income-Tax Department
   a. TIN central system shall generate quarterly a consolidated PAN-based Form 16A to customers
   b. TIN central system shall generate Form 16A with the name and address that would be available in Income-Tax Central Database
   c. TIN central system shall generate Form 16A only for those deductee whose valid PAN is available with the bank
10. I/We, understand and confirm that in terms of Section 206AB, the Bank is required to deduct higher rates of TDS effective from 1st July, 2021, if I/we have not filed Income Tax Returns for two previous years immediately preceding the year in which tax is required to be deducted, time limit for filing of such Income Tax Returns has expired and aggregate TDS in each of said two financial years is Rs.50,000/- or more. Accordingly, the tax shall be deducted at higher of the three rates viz. (a) twice the rate specified in the relevant provision of the Income tax Act, (b) twice the rate or rates in force (c) at the rate of 5%.
11. Minimum Deposit for opening of Fixed Deposit Plus Account is Rs. 5 Crore
12. Fixed Deposit Plus Deposits (Retail & Corporate) cannot be closed prior to date of maturity. Premature withdrawal is not permissible under this scheme except for exception cases which include bankruptcy/ winding up/ directions by court/ regulators/ receiver/ liquidator/ deceased cases
13. Premature Closure arising out of aforementioned scenarios in the above cases will result in the change of applicable interest rate from the Fixed Deposit Plus rate to that of Normal Fixed Deposit rate (as per the prevailing rate) and will include application of penalty
14. Autorenewal option will not be available for Fixed Deposit Plus

In order to avail proper credit for the TDS while filing your income tax returns, you are requested to contact your branch and provide your PAN details immediately.

1. K. K. University- The legacy of K.K. University is built upon a commitment to academic excellence, innovation, and holistic student development.

K.K. University, located in Bihar Sharif, Nalanda, is a private university in the state of Bihar, India. The university is located in Bihar Sharif, which is the district headquarters of Nalanda district in Bihar, India. The objective of K.K University is to provide education to the state of Bihar in an affordable mode in various fields like Engineering, Education, Pharmacy, Law, Agriculture, Arts, Sciences, Library Science and Management The university provides state of the art laboratories for Pharmacy, Agriculture, Engineering, Law and Education.

2. Introduction to the Academic Framework

2.1 The purpose of the Academic Framework and Regulation is to ensure academic excellence and uphold the quality standards of the University through the standardization of academic systems and processes and also to ensure equity, transparency, and choice for students and staff.

2.2 The University operates on a credit-based academic framework. Under this, the students can register for courses and alter the pace of learning within the broad framework of academic programmes and credit requirements.

2.3 The University may make changes to the Academic framework and regulations with the due approval of the Academic Council. These modifications may be necessitated from time to time due to reasons which include changes enabling new research to be brought into the curriculum, due to technological advancement, changes agreed in response to feedback received from stakeholders, and those initiated by professional, statutory, and regulatory bodies.

2.4 The academic framework has been created taking into consideration the UGC regulations.

2.5 Definitions

2.5.1 **Semester-** All Programmes shall adopt a semester system except for the programmes that are regulated through yearly programmes of council bodies. There will be two semesters in an academic year. The Odd Semester will be from July to December and the Even Semester from January to June. Each semester will consist of 15-18 weeks of academic work.

2.5.2 **Summer Semester (Provision):** A summer semester is offered under a fast-track mode, considering the smaller number of days available during the summer vacation. Unless otherwise specified explicitly, all rules and regulations applicable to a course offered during a regular semester apply to the course/ certification courses/ workshops offered during the summer semester. Like Odd and Even semesters, a separate semester Grade Sheet will be issued for the courses registered during the summer semester. Though courses will be offered during the summer semester to help students clear their backlog, it is not binding on the University to offer courses during the summer.

2.5.3 **Academic Program-** This refers to a sequence of study i.e. a combination of courses leading to the award of a qualification such as an undergraduate degree or diploma

K.K. UNIVERSITY 803115 NALANDA

postgraduate.

2.5.4 **Blended Learning Approach-** A blended learning approach combines online digital media with traditional learning methods for the teaching-learning process.

2.5.5 **Massive Open Online Courses (MOOCs)-** These are online courses available for anyone to enroll with the object of providing an affordable and flexible way to acquire knowledge.

2.5.6 **Course-** A distinct unit of study within a program (also referred to as subject) that is evaluated and credits are earned. Each course is completed in a semester and is identified by a unique code. A course can have one or more of the following components associated with the teaching-learning process.

(i) Lecture-L

(ii) Tutorial-T-Tutorial sessions will primarily involve participatory discussion, doubt clearing, flipped classroom, student-led seminars, lecture demonstration, blended learning pedagogy in the classroom, and problem-solving or any other method that facilitates the student to absorb more effectively the contents delivered in the lecture session.

(iii) Practical-P-Practical session consists of hands-on experience/ Laboratory experiments that equip the students to acquire the skill component.

2.6 Different courses of study can be labeled as follows

2.6.1 **Core Course-** A course which should compulsorily be studied by every candidate, who is enrolled for a particular academic program, is referred to as a core course.

2.6.2 **Elective-** These are courses that can be chosen from a pool of courses in related areas which give the student an in-depth understanding of his core area. These courses can also be referred to as depth courses. These may also include discipline-specific workshops, projects, or certification courses.

2.6.3 **Self-Study Courses-** These are courses that a student studies on his own with advisory support from a teacher. These courses generally support or supplement the other courses by helping the student acquire special or advanced knowledge. These courses include projects, term papers, readings, etc.

2.7 **Syllabus** - A course syllabus is a detailed course descriptor that explains what a student is going to study in that course. Each course will have a course code, course title, LTP (Lecture, Tutorials, Practical), course prerequisites (if any), course objectives, suggested text and reference books, and the mode of evaluation adopted.

2.8 **Course Manual-** A course manual consists of a list of lectures/ experiments carried out in each instructional class/ lab by the course teacher during the semester as per the LTP of the course, with details like course objective, learning outcome, mode of delivery, reference material used, and the detailed session plans, etc.

2.9 **Programme Duration-** The minimum duration of a programme generally students are expected to take is given in Annexure II. All programmes come to an end when the student earns theminimum course and credit requirements as specified by the programme curriculum concerned. However, the degree will be awarded only upon the completion of the minimum duration of the programme.

K.K. UNIVERSITY 803115 NALANDA

2.10 **Credits-** These are numeric values of individual courses that contribute to the total credit requirement of an academic program. One credit represents at least 12 study hours with a student. e.g. a student enrolled in 3 credits will spend a minimum of 36 hours for this course in a semester.

2.10.1 Credits for a course can be calculated as follows:

(i) One lecture (L) hour per week should be counted as 1credit per semester

(ii) One tutorial (T) hour per week should be counted as 1 credit per semester

(iii) Two practical/laboratory/workshop/ field work (P) per week should be counted as 1 credit per semester

3.

3.1 Industry Integration and Research Orientation

3.7.1 Keeping in line with our philosophy of being an **industry integrated and research-oriented university** the curriculum is so designed that the students are exposed to an industry and research environment through live projects, summer internships, field visits, and dissertations. These form an integral part of the curriculum.

3.7.2 **Summer/ Industrial Internship-** During their tenure in the University, students get exposure to academic environment which is different from the environment at the industry, wherein they are expected to be placed. To get this exposure, all students should undergofour/six/eight weeks of industrial internship for UG and six to eight weeks for PG in a reputed industry in their respective branch. During the training, the student is expected to maintain a logof their activity and learning. At the end of the training, a report along with a completion certificate from the industry where he/she had received the training is to be submitted to the Faculty Coordinator of his/her programme for evaluation.

3.7.3 **Student Project -** Students are expected to carry out an innovative project work in or related to the specialization of the programme by applying the knowledge they have gained in the courses/ labs. Depending on the nature of the project work, an individual student or a group of students may carry out the project within the University or outside, viz. in an industry, private/ government organization, or academic/ research institution. Each student will be assigned a faculty member as mentor within their School. In suitable cases, with the permission of Programme Coordinator, the student may opt for a guide outside their School also. The final project report will be evaluated by a panel of examiners consisting of Faculty Mentor, Industry Mentor (in case applicable) and two faculty experts.

3.7.4 Dissertation- Dissertation forms a part of the curricula of the final semester for most of the programmes. However, to further promote a research culture resulting in meaningful research outcomes it is proposed to commence work on the dissertation at the end of the first semester under the guidance of a mentor. Also, for **all Masters level programmes** it would be mandatory to have the dissertation resulting in atleast **one research publication which would form a part of the evaluation scheme (Up to a maximum of 10 weightage marks can be allotted to research publication).**

3.7.5 **Interaction with industry experts to be integrated with curricula-** The enclosed

K.K. UNIVERSITY 803115 NALANDA

strengthens the student's orientation towards research and industry with an objective of to make them more employable it is important that the students interact with experts from the industry on a regular basis. Experts from industry and academia can interact with the students during Guest lectures and Corporate Connect. Also, the **assessment of learning** from this interactionhas to form a part of the overall internal evaluation. This interaction has been formalized by integrating it with the curricula.

3.9.2 Introducing New Courses/Revising Existing Courses

The courses are designed as per the needs of the industry and other organizations offering employment to the students of the University. The new courses are created based on the feedback received from various stakeholders including faculty, students, academic experts, and industry. A committee at the level of the department is constituted to propose new courses or propose revisions to the existing curriculum.

The new course/revised course is discussed by the area experts and a preliminary draft is prepared. The preliminary draft of the course is placed in the meeting of the **Board of Studies** for discussion and modification. The curriculum finally approved by the board of studies is sent for approval to the academic office where after approval the course is allotted the code.

The new/revised course duly assigned code is placed before the **Academic Council** for final approval.

3.9.3 Constitution of the Board of Studies

The Board of Studies is to be constituted at the school/institute level. However, in some cases, the board ofstudies may be constituted at the **faculty** level. The board of studies is required to have the following composition:

Dean/Asso. Dean/Asst. Dean	Chairperson
All Professors	Members
1 Associate Professor	Member
1 Subject Expert	Member
1/2 External Expert	Member

3.9.4 Introducing new discipline descriptors

Whenever a school needs to introduce a new discipline descriptor approval has to be sought from the Pro Vice Chancellor. The following information must be included in the submission:

(i) proposed alpha code;
(ii) statement of justification;
(iii) academic organization (school or organizational unit that will be responsible for administration of the courses under this discipline.

3.3 Grading System

The level of student's academic performance as the aggregate of continuous evaluation and end-term examination shall be reflected by letter grades on a ten-point scale according to connotation as given below

Connotation

Grade	Qualitative meaning	Grade Point Attached
O	Outstanding	10
A+	Excellent	9
A	Very Good	8
B+	Good	7
B	Above Average	6
C	Average	5

K.K. UNIVERSITY 803115 NALANDA

P	Pass	4
F	Fail / Absent	0

The semester performance of a student will be indicated as –Semester Grade Point Average (SGPA). The SGPA will be weighed an average of Grade Points of all letter grades received by a student for all the course units in the semester. The formula for computing SGPA is given below

$$SGPA = \frac{U_1G_1 + U_2G_2 + U_3G_3 + \text{----------}}{U_1 + U_2 + U_3 + \text{----------}}$$

Where U_1, U_2 , U_3 denote credits associated with courses taken by the student and G_1,G_2,G_3 are the Grade Point of the letter grades awarded in the respective Course.

CGPA is not applicable in first semester. CGPA is calculated on the basis of SGPA.

For example in II Semester the formula for CGPA is

$$CGPA = \frac{\text{Cumulative points secured in all passed course in I \& } II Sem}{\text{Cumulative Associated Credit Units in I \& } II semesters}$$

The successful candidates shall be placed in Divisions as below:

CGPA	EQUIVALENT DIVISION
9.0 & above	First Division with Certificate of Merit
8.0 but less than 9.0	First Division with Distinction
6.5 but less than 8.0	First Division
5.5 to 6.5	Second Division

4. ICT Enabled Learning

4.1 Under the digital initiatives of K. K. University Biharsharif, the teaching –learning processes of theUniversity focus on the use of ICT. This is done with an objective of shifting the focus from a **teacher centric learning** process to a **student/ learner centric** learning process. Such an approach caters to the diverse needs of students allowing the students to engage in

Choice
Collaboration
Communication
Critical thinking
Creativity

4.2 Blended Learning Approach

4.2.1 A blended learning approach combines e-learning through online digital media with traditional classroom methods and independent study to create a new hybrid teaching methodology

K.K. UNIVERSITY ★ 803115 ★ NALANDA

with an objective of increasing the student engagement and bringing in flexibility in the teaching learning process. It represents, in many cases, a fundamental change in the way teachers and students approach the learning experience

4.2.2 The introduction and use of **digital platforms** provides a flexible approach to teaching and learning. Digital learning platforms include personalized learning technologies embedded around a digital text book and can be customized by faculty to suit the needs of a specific class. They can be used on any device and involve quizzes, problems and games to keep students interested in the topic.

4.2.3 Through this interface the students are **more engaged**, get **immediate feedback**, have better **retention** and are easily able to build a foundation of knowledge by learning new concepts. An additional innovative feature of these platforms is the use of **adaptive learning technology** wherein the lessons are individualized to assess the students knowledge and assess them with concepts they need help with.

4.2.4 A course created in a blended learning model uses the classroom time for activities that benefit the most from direct interaction. Traditional education (especially at the college level) tends to place an emphasis on delivering material by way of a lecture, while in a blended learning model lectures can be videotaped ahead of time so the student can watch on their own time. The classroom time is more likely to be for structured exercises that emphasize the application of the curriculum to solve problems or work through tasks.

4.2.5 During the blended learning session the teacher has to play the role of a facilitator of student learning by stimulating and challenging the students towards meaningful learning.
Facilitators focus on the following key areas:

(i) Development and compilation of online and offline course content.
(ii) Guiding the learning experience of individual students, and customizing material wherever possible to strengthen the learning experience.
(iii) Assessment

4.3 Blended Learning and other Student Centric Pedagogical Tools

Blended learning has three primary components:

(i) In-person classroom activities facilitated by a trained educator.
(ii) Online learning materials, often including pre-recorded lectures
(iii) Structured independent study time guided by the material in the lectures and skills developed during the classroom experience.

Following are some the blended learning and student centric pedagogical tools which faculty can choose from to include in their teaching pedagogy

4.3.1 **MOOCs**– Massive Open Online Courses -. These are online courses available for anyone to enroll with an objective of providing an affordable and flexible way to acquire knowledge
In addition to traditional course materials such as filmed lectures, readings, and assessment material, many MOOCs provide interactive user forums to support community interactions among students and the faculty.
Through MOOCS students have access to the expertise of eminent faculty from across the world resulting in enhanced academic rigour.

K.K. UNIVERSITY 803115 NALANDA

4.3.2 **Flipped Classrooms** – It reverses the traditional approach to learning. Students watch the learners videos in their own time and space, giving them opportunity to work at their own pace. It also allows time in the classroom to be used in critical thinking

It is an activity that allows learners to occupy center stage in the learning process. Also, this technique better utilizes the time of faculty-learner interaction. The learners become aware of the basic concepts through introductory videos and in the classroom they are able to participate and finally discover outcomes by giving a meaning to their experience.

4.3.3 Teach-back/ Student led Seminar

Teach Back means _Learn by explaining to other people what we think we know'. Teach back is a method of instruction in which learners make an oral presentation followed by discussion on a specific topic. Such seminars are more interactive than a lecture. For this mode of instruction to be effective, it is suggested that the faculty makes it as interactive as possible.

Overall Objectives of Learner Led Seminar Techniques/ Teach Back

(i) To facilitate learners to understand the method of studying a topic/subject.
(ii) To encourage learners to think about practical problems that may come up with a particular topic..
(iii) To encourage learners to become independent and autonomous learners.

4.3.4 **Simulation** – These techniques can be used to teach many topics in engineering and social sciences. Simulation help in replicating real life situations to help the students experience the actual situation they would be facing.

4.3.5 **Brainstorming/Problem solving** – Brain storming is a technique used to generate large number of ideas.The technique was devised by Alex Faickney Osborn and was widely used by business managers to generate ideas and to find out creative ways of resolving management crisis around 1930s. Now the technique is also being used for teaching/learning, with certain modifications.
There are two types of brain storming (based on the number of participants):

4.3.6 **Case Study –** A Case Study is an open-ended actual story. It brings chunks of reality into the classroom.
(i) This method is used for solving a difficult problem or in case of a dilemma without an obvious solution.
(ii) It forces us to deal with a real life situation where we have to answer:–What do we do now?|
(iii) The case study should be:
(iv) Context-based, relevant and involve relatively realistic scenario or situation or problem.
(v) Challenging but not too frustrating a problem, task, or situation.
(vi) An open-ended problem or situation that requires careful formulation (one should definitely be able to find a solution).
(vii) A problem or situation that motivates the learner to explore, investigate, and study.
(viii) A problem or situation that encourages interaction: among learners, learners and facilitator, between learner and the outside resources.

K.K. UNIVERSITY ★ 803115 ★ NALANDA

Overall Objective of Case Study Method

- To offer a less instructive approach to teaching
- To stress on the development of learners' communication and higher order thinking skills
- To encourage learners to engage in critical analysis and ensure active learner participation

4.3.7 **Mini Survey/ Projects** – Survey research is one of the most important areas of measurement in applied social research. The broad area of survey research encompasses any measurement procedures that involve asking questions of respondents. A "survey" can be anything from a short paper-and-pencil feedback form to an intensive one-on-one in-depth interview. Similarly small projects with the industry support can help students understand the application of the concept.

4.4 Integrating blended learning in the teaching learning process

4.4.1 Faculty need to ensure that blended learning forms an integral part of the teaching learning process

4.4.2 The part of the course delivery to be done in blended learning / hybrid teaching learning approach should be reflected in the session plan being prepared by the faculty.

4.4.3 The faculty can decide on the **blended learning techniques** to be used in the class based on their suitability to help students understand a particular topic. For example, for a course in commerce and management the students may be required to take up a related MOOC course. However, the technique to be used has to be pre-decided and clearly mentioned in the session plan. Also, availability of necessary resources in the form of relevant material required like videos, case studies etc should be ensured.

4.5 **Assessment Process-** Every faculty needs to design a well thought of **Assessment / Evaluation Process** which takes into consideration all the pedagogical components. The assessment should be such that the student performance is evaluated against the learning outcomes. For example if a student goes through a MOOC to study a specified topic, a quiz or a problem solving exercise can beconducted by the faculty to assess the learning outcome.

4.6 **Pedagogical Training-** Faculty development programmes need to be conducted in the innovative pedagogical techniques, preparation of course manual and student assessment under the blended learning approach.

4.7 MOOCs Resources

A comprehensive list of MOOC resources will be available with the respective institutions. These include the UGC approved MOOCs courses June 2017 available on the Swayam Platform in the UGC website. Faculty can recommend these courses to the students and also included them in the course manual. Credits earned through these MOOC courses can contributed of the related course offered under the programme by the University. **(Annexure-5)**

K.K. UNIVERSITY 803115 NALANDA

5.1 Guidelines for preparing the Course Manual

5.1.1 Course Manual needs to be prepared for all **theory and practical courses**. However, this excludes all NTCC (Non teaching credit courses) viz. Term paper, Dissertation, Summer Training Evaluation, Project, Workshop, Research Paper, Study Abroad Programme.

5.1.2**For blended learning and student centric approach** faculty may use one or more from the various techniques like MOOCS, Day with expert, Case Study, Teach Back, Quiz,Mini-Survey,Simulations/Games,Brain-Storming/Argumentation,Flipped classroom. However, this list is not exhaustive. Faculty may use any other suitable pedagogical technique to ensure optimal learning.

5.1.3 Keeping in line with philosophy of AUH of being an **industry integrated university** it is important that the students interact with experts from the industry on a regular basis. As previously stated in 3.7.5 two **sessions per course be taught by experts from the industry**. Thetopics have to be identified and clearly specified in the course manual. Also the **assessment of learning** from this interaction has to form a part of the overall internal evaluation.

5.1.4 The course manual should contain relevant study and reference material including cases, additional readings, as an annexure, URLs etc

6. Course Registration

6.1 All students are required to fill the Student Profile Sheet as given in **Annexure-7** at beginning of the Programme. It is also mandatory for all students to register every semester till the end of his/her study, for courses that he/she is going to study in the semester through a Course Registration process.

6.2The Course Registration will be carried out on a specific day as declared by the University in advance. Students having any outstanding dues to the University shall not be permitted to register. For valid reasons, late registration for a maximum of two weeks from the commencement of the semester may be permitted only with the approval of the School Director concerned and on payment of a late Registration fee as specified by the University. Approval of Faculty Mentor is necessary for a student to undergo Course Registration.

6.3 Depending on academic and non-academic resources available to each programme, courses offered may vary. Upon joining the University, each student will be assigned a Mentor by the School concerned to support him in making the right choice of courses. The Mentor will discuss with the student on his/her academic performance in previous semester(s) and suggest the number and nature of courses to be registered in the ensuing semester, within the framework of that programme curriculum. Students having backlogs or under probation may get advice for pacing the programme.

6.4 Process of selection of Electives

K.K. UNIVERSITY 803115 NALANDA

6.4.1 For first semester students at the time of orientation the student is asked to give his choice of electives. The student also fills out a profile sheet which gives an overall perspective of the programme structure in terms of the credits he will be required to earn each semester through his core courses and electives. For open electives the student gives three choices. These choices are then verified by the programme coordinators, course is allocated to the student and from the Heads of the School on account the course is entered onto the university ERP. These courses are then visible to the student in their respective ERP account.

6.4.2 For students of semesters other than the first semester the choices are taken from the students before they leave for the term break. This helps in finalizing the faculty allocation and time tables before the commencement of the new semester

6.4.3 The student has the **option of changing his elective within three weeks of the commencement of the classes.** The attendance of the student is also transferred from the previously selected course to the new choice of course to prevent the likelihood of shortage of attendance.

7. Attendance

Students are expected to have 100% attendance. Relaxation of maximum 25% may be allowed to cater for sickness or other valid reasons beyond the control of the students. A student whose attendance is less than 75%, **whatever may be the reason for shortfall**, will not be permitted to appear in the End Semester Examination (ESE) for the subject in which the shortfall exists.

Under extreme special circumstances, Vice Chancellor through the recommendation of the Pro Vice Chancellor may condone attendance up to 5% below 75% on the request of the student and the recommendation of the Heads of the Schools. Such students will fall under the B+ cap category, i.e., the student beyond B+ grade will be able to score a maximum of B+ grade in the said course for which he/she has been given the waiver.

The attendance will be marked in the attendance register as well. It is important that the attendance be marked by the concerned faculty within 48 hours of holding the class.

Every teaching faculty handling a class will take attendance till the last day of the class. The percentage of attendance up to this day will be calculated and forwarded to Examination Departmentby the Heads of the Schools for issue of Admit Cards.

If a student is continuously absent for a period of one week without permission by the Heads, a notice will be sent to the student and to his parents / guardian with intimation to Registrar. If a student remains absent continuously for 30 days without permission, his name will be struck off. Such a student may apply for re-admission. The Heads of the school will examine his performance in all semesters and back log of papers and forward recommendations to Pro VC's office to decide as to whether he should be given re-admission or not. Based on the recommendations, decision for re-admission and the semester in which re-admission is to be given will be taken. The student granted re-admission will be required to pay the prescribed re-admission fee and will be governed by Academic Regulations. The attendance will be calculated from the commencement date of the semester and notfrom the date of re – admission.

7.1Attendance Shortfall

A student, whose attendance is below 75%, will not be permitted to appear in the ESE and will be awarded _DE'(F) grade in that paper and treated as Fail in that subject. _DE'(F)/F grade students (Debarred due to shortage of attendance or Fail in a course unit) are required to repeat the course unit in the next corresponding semester and reappear in the normal schedule of ESE of that paper i.e. _F' grade student of 3rd semester may reappear in that course unit in the 5th semester. The final year students who have obtained _DE'(F) grade may apply to re-appear in those Courses of final two semesters only in the Special Supplementary Examinations to be held within 30 days of the declaration of Results.

8.1 **Official Class Waiver** (OCW)

8.1.1 **Definition-** A student will be given an OCW (ie, he/she will be marked present) during teaching hours under the following conditions:

(i) Participation in conferences/seminars/workshops.
(ii) Participating in fests/competitions/ sports/cultural both within and outside the University.
(iii) Practice for fests/sports/cultural events etc.
(iv) Project and related activities.
(v) Any other activity deemed fit by Heads of the School

8.1.2 OCW will be approved under the following guidelines:

(i) For 3 & 4 credit course a maximum of 3 classes can be waived off in a semester.
(ii) For 1 & 2 credit course a maximum of 2 classes can be waived off in a semester.
(iii) Five and more than five a maximum of 4 classes can be waived off in a semester

8.1.3 Exception:

In case of an emergency, if approval cannot be taken after advance submission of OCW slip or wherever submission of OCW could not happen, the approval may be taken within a maximum of 5 days from the availing of OCW from the Head of Institution. **No OCW request should be entertained subsequently.**

8.1.4 Recommendation & Approval of OCW:

(i) In all above-mentioned Official Class Waivers, the student has to fill-up the prescribed format for recommendation by the faculty deputing for the activity for final approval by Head of Institution.

(ii) The under-mentioned persons are authorized to recommend the OCWs for the approval of Head of Institution.

(a) Programme Coordinator
(b) Head Training & Placement Centre
(c) Faculty members acting as Event Coordinator
(d) Any other person nominated by the Vice Chancellor and Or Pro Vice Chancellor

The authorities mentioned above will ensure that all sanctions are obtained before the date of commencement of an event (baring exceptions).

8.1.5 Process for approval of OCW:

(i) The procedure to be followed for sanctioning of the OCWs will be as under:

K.K. UNIVERSITY ★ 803115 ★ NALANDA

(a) The OCW request will be initiated by student through faculty in-charge in advance before the activity takes place as per prescribed format.
(b)The student will submit the OCW Form to the person concerned who has assigned the work.
(c)Authorized person(s) upon checking the validity of the credits and no of classes allowed to be waived off, will recommend to Head of Institution for approval.
(d)The attendance related to OCW should be uploaded on Amizone from HOI's a/c within 24 hours of the class or within five days in case of an exception.

8. Examination

8.1 Eligibility for Examinations

All students who have registered for a particular course are eligible to write the exam, provided he/she is not debarred from writing the exam due to one or more of reasons listed below.
(i) Shortage of attendance
(ii) Acts of indiscipline
(iii) Withdrawal of a registered course

8.2 Disciplinary Control of Students In Relation To University Examinations

9.2.1 During examinations, the candidates shall be under the disciplinary control of the Examination Centre Superintendent who will issue necessary instructions. If a candidate disobeys instructions or misbehaves with any member of the supervisory staff or University Observer or representative or the invigilators at the Centre, he may be expelled from the examination for that session. The Examination Centre Superintendent shall immediately report the facts of such a case with full details of evidence to the Controller of Examinations who will refer the matter to the Examination Discipline Committee. The said Committee will make recommendations for disciplinary action as it may deem fit, to the Vice Chancellor through the Pro Vice Chancellor.

9.2.2 The students shall maintain proper discipline and orderly conduct during the examinations. They shall not make use of any unfair or dishonest means or indulge in disorderly conduct in the examinations.

8.3 Duration of Academic Programmes

8.3.1 The minimum period required for completion of a programme shall be as specified in the Scheme of Teaching and Examination and Syllabi for concerned programme and approved bythe Academic Council on the recommendations of the Board of Studies.

8.4 Award of Degrees, Diplomas, Certificates and other Academic Distinctions

8.4.1 The text and the format of the degrees and diploma documents, certificates, citations and other documents of academic distinctions shall be as approved by the Academic Council. Thenomenclature of Degree and Diploma. Shall be same as specified by the UGC, AICTE, BCI, PCI and NCTE councils of India and such other Statutory Bodies.

8.4.2 The degrees, diplomas, certificates, citations, and other documents relating to other academic distinctions shall be signed by the Registrar and countersigned by the Pro Vice Chancellor and Vice Chancellor. Provisional Certificates shall be signed by the Controller of Examinations.

8.4.3 A student shall be awarded a degree/diploma, if:

8.4.3.1 He has registered himself, undergone the course of studies, completed the project report/dissertation/training report as specified in the curriculum of his programme within the stipulated time, and secured the minimum Grades prescribed for the award of the concerned degree/diploma/certificate;

8.4.3.2 No dues are outstanding in his/her name to the University/Department/ Constituent Unit; and

8.4.3.3 No disciplinary action is pending against him.

8.4.4 The Registrar shall place the particulars of all the successful and eligible students for the award of certificate, diploma, or degree before the Academic Council after declaration of results.

8.4.5 Approval accorded by the Academic Council for the award of the respective degrees, diplomas, certificates etc. Shall be placed before the Executive Council for its concurrence. On being concurred by the Executive Council, the degree shall be awarded to the successful candidates at the convocation

8.4.6 In an extreme emergency, the degrees, diplomas, and certificates shall be awarded to the successful students before the Convocation with the approval of the Vice Chancellor recommended by t and the matter be reported to the Academic Council.

BoM 7.5 **Approval of teaching positions**

The university believes excellence in teaching and learning thus it entrusts the leadership team in accelerating quality team in teaching and learning. The Chairperson deliberated to focus not only in statutory council-based programmes but also to strengthen the teaching quality in regular programmes viz., Applied Sciences, Engineering and Education programmes.

The Board agreed on the view and thus recommended to have the talent pool from different corners of the country especially teachers from renowned universities/professional institutions across the country with vivid research experience. The Sanctioned intake of teaching positions cadre for all UGC and Council led Programs will be as per the norms.

Name of the School	Professor	Asso. Professor	Asst. Professor
	Sanctioned Intake	Sanctioned Intake	Sanctioned Intake
School of Engineering & Technology	6	16	72
School of Commerce & Management	2	4	6
School of Arts & Culture	3	5	12
School of Applied Sciences	5	10	24
School of Library & Information Sciences	1	2	6
School of Education	3	8	21
School of Law & Legal Science	3	7	15
School of Agriculture Sciences	3	8	20
School of Pharmacy and Paramedical Sciences	4	8	19

The Board approves the sanctioned intake of the teaching positions;

BoM 7.6 **Approval and Appointment of Non-Teaching Staff**

In order to support the function of teaching and learning at the University, it must be ensured to have proper staffing as a support role for all administrative functions of the University. The Chairperson indicated the vision and the mission of the University and also emphasized the primary role of the support function. In respect to substantiate this motive, the Chairperson recommended to hire the resources from the local community from the nearby villages of the University. This will enable to upskill the local community and employability.

The Board approves the following non-teaching positions for important administrative functions amongst other functions at the university;

1. Dy. Registrar (Academics)
2. Dy. Controller of Examinations
3. Asst. Controller of Examinations
4. Hostel Wardens (Girls & Boys)

BoM 7.7 **To constitute various applicable committees at university level to support various functions.**

The Chairperson mentioned the importance of constituting various committees at the University level to establish and review of various administrative functions especially on the well-being of the students through unbiased decisions.

The Board agreed on this and thus mentioned that the University will have the following committees in order to achieve the milestones in a judicious manner in support of excellence in teaching and learning The committees will be constituted by the Hon'ble Vice Chancellor with recommendation from the Pro Vice Chancellor of the University.

1. Mess Committee
2. Sports Committee
3. Anti Ragging Committee
4. Anti Ragging Squad
5. Anti-Discrimination Committee
6. Student Disciplinary Committee

BoM 7.8 To approve the fee structure for the session 2024-25

The BoM members confirmed and approved the fee structure for the session 2024-25 (Annexure -II).

BoM 7.9 To approve the academic calendar 2024-25

The BoM members confirmed and approved the academic calendar 2024-25 (Annexure -III).

The meeting was concluded with vote of thanks to the Chair.

K.K. UNIVERSITY 803115 NALANDA

1. K. K. University- The legacy of K.K. University is built upon a commitment to academic excellence, innovation, and holistic student development.

K.K. University, located in Bihar Sharif, Nalanda, is a private university in the state of Bihar, India. The university is located in Bihar Sharif, which is the district headquarters of Nalanda district in Bihar, India. The objective of K.K University is to provide education to the state of Bihar in an affordable mode in various fields like Engineering, Education, Pharmacy, Law, Agriculture, Arts, Sciences, Library Science and Management The university provides state of the art laboratories for Pharmacy, Agriculture, Engineering, Law and Education.

2. Introduction to the Academic Framework

2.1 The purpose of the Academic Framework and Regulation is to ensure academic excellence and uphold the quality standards of the University through the standardization of academic systems and processes and also to ensure equity, transparency, and choice for students and staff.

2.2 The University operates on a credit-based academic framework. Under this, the students can register for courses and alter the pace of learning within the broad framework of academic programmes and credit requirements.

2.3 The University may make changes to the Academic framework and regulations with the due approval of the Academic Council. These modifications may be necessitated from time to time due to reasons which include changes enabling new research to be brought into the curriculum, due to technological advancement, changes agreed in response to feedback received from stakeholders, and those initiated by professional, statutory, and regulatory bodies.

2.4 The academic framework has been created taking into consideration the UGC regulations.

2.5 Definitions

2.5.1 **Semester-** All Programmes shall adopt a semester system except for the programmes that are regulated through yearly programmes of council bodies. There will be two semesters in an academic year. The Odd Semester will be from July to December and the Even Semester from January to June. Each semester will consist of 15-18 weeks of academic work.

2.5.2 **Summer Semester (Provision):** A summer semester is offered under a fast-track mode, considering the smaller number of days available during the summer vacation. Unless otherwise specified explicitly, all rules and regulations applicable to a course offered during a regular semester apply to the course/ certification courses/ workshops offered during the summer semester. Like Odd and Even semesters, a separate semester Grade Sheet will be issued for the courses registered during the summer semester. Though courses will be offered during the summer semester to help students clear their backlog, it is not binding on the University to offer courses during the summer.

2.5.3 **Academic Program**- This refers to a sequence of study i.e. a combination of courses leading to the award of a qualification such as an undergraduate degree or diploma

K.K. UNIVERSITY 803115 NALANDA

postgraduate.

2.5.4 **Blended Learning Approach-** A blended learning approach combines online digital media with traditional learning methods for the teaching-learning process.

2.5.5 **Massive Open Online Courses (MOOCs)**- These are online courses available for anyone to enroll with the object of providing an affordable and flexible way to acquire knowledge.

2.5.6 **Course**- A distinct unit of study within a program (also referred to as subject) that is evaluated and credits are earned. Each course is completed in a semester and is identified by a unique code. A course can have one or more of the following components associated with the teaching-learning process.

(i) Lecture-L

(ii) Tutorial-T-Tutorial sessions will primarily involve participatory discussion, doubt clearing, flipped classroom, student-led seminars, lecture demonstration, blended learning pedagogy in the classroom, and problem-solving or any other method that facilitates the student to absorb more effectively the contents delivered in the lecture session.

(iii) Practical-P-Practical session consists of hands-on experience/ Laboratory experiments that equip the students to acquire the skill component.

2.6 Different courses of study can be labeled as follows

2.6.1 **Core Course**- A course which should compulsorily be studied by every candidate, who is enrolled for a particular academic program, is referred to as a core course.

2.6.2 **Elective**- These are courses that can be chosen from a pool of courses in related areas which give the student an in-depth understanding of his core area. These courses can also be referred to as depth courses. These may also include discipline-specific workshops, projects, or certification courses.

2.6.3 **Self-Study Courses-** These are courses that a student studies on his own with advisory support from a teacher. These courses generally support or supplement the other courses by helping the student acquire special or advanced knowledge. These courses include projects, term papers, readings, etc.

2.7 **Syllabus** - A course syllabus is a detailed course descriptor that explains what a student is going to study in that course. Each course will have a course code, course title, LTP (Lecture, Tutorials, Practical), course prerequisites (if any), course objectives, suggested text and reference books, and the mode of evaluation adopted.

2.8 **Course Manual**- A course manual consists of a list of lectures/ experiments carried out in each instructional class/ lab by the course teacher during the semester as per the LTP of the course, with details like course objective, learning outcome, mode of delivery, reference material used, and the detailed session plans, etc.

2.9 **Programme Duration**- The minimum duration of a programme generally students are expected to take is given in Annexure II. All programmes come to an end when the student earns theminimum course and credit requirements as specified by the programme curriculum concerned. However, the degree will be awarded only upon the completion of the minimum duration of the programme.

K.K. UNIVERSITY 803115 NALANDA

2.10 **Credits-** These are numeric values of individual courses that contribute to the total credit requirement of an academic program. One credit represents at least 12 study hours with a student. e.g. a student enrolled in 3 credits will spend a minimum of 36 hours for this course in a semester.

2.10.1 Credits for a course can be calculated as follows:

(i) One lecture (L) hour per week should be counted as 1credit per semester

(ii) One tutorial (T) hour per week should be counted as 1 credit per semester

(iii) Two practical/laboratory/workshop/ field work (P) per week should be counted as 1 credit per semester

3.

3.1 Industry Integration and Research Orientation

3.7.1 Keeping in line with our philosophy of being an **industry integrated and research-oriented university** the curriculum is so designed that the students are exposed to an industry and research environment through live projects, summer internships, field visits, and dissertations. These form an integral part of the curriculum.

3.7.2 **Summer/ Industrial Internship-** During their tenure in the University, students get exposure to academic environment which is different from the environment at the industry, wherein they are expected to be placed. To get this exposure, all students should undergofour/six/eight weeks of industrial internship for UG and six to eight weeks for PG in a reputed industry in their respective branch. During the training, the student is expected to maintain a logof their activity and learning. At the end of the training, a report along with a completion certificate from the industry where he/she had received the training is to be submitted to the Faculty Coordinator of his/her programme for evaluation.

3.7.3 **Student Project -** Students are expected to carry out an innovative project work in or related to the specialization of the programme by applying the knowledge they have gained in the courses/ labs. Depending on the nature of the project work, an individual student or a group of students may carry out the project within the University or outside, viz. in an industry, private/ government organization, or academic/ research institution. Each student will be assigned a faculty member as mentor within their School. In suitable cases, with the permission of Programme Coordinator, the student may opt for a guide outside their School also. The final project report will be evaluated by a panel of examiners consisting of Faculty Mentor, Industry Mentor (in case applicable) and two faculty experts.

3.7.4 Dissertation- Dissertation forms a part of the curricula of the final semester for most of the programmes. However, to further promote a research culture resulting in meaningful research outcomes it is proposed to commence work on the dissertation at the end of the first semester under the guidance of a mentor. Also, for **all Masters level programmes** it would be mandatory to have the dissertation resulting in atleast **one research publication which would form a part of the evaluation scheme (Up to a maximum of 10 weightage marks can be allotted to research publication).**

3.7.5 **Interaction with industry experts to be integrated with curricula-** The enclosed

K.K. UNIVERSITY 803115 NALANDA

strengthens the student's orientation towards research and industry with an objective of to make them more employable it is important that the students interact with experts from the industry on a regular basis. Experts from industry and academia can interact with the students during Guest lectures and Corporate Connect. Also, the **assessment of learning** from this interactionhas to form a part of the overall internal evaluation. This interaction has been formalized by integrating it with the curricula.

3.2 Credit Requirements

The credit requirement for the various programs is as follows:

Credit Requirements

Programme	Credit requirement
3 Years UG programme (L.L.B.)	128 credits
4 Years B.Tech programme	186.5 credits
5 Years integrated UG programme (B. Com L.L.B.)	232 credits
2 Years MBA programme	110 credits
2 Years LL.M Programme	88 Credits
4 Years B.Sc (Hons.) Agriculture Programme	169 Credits
4 Years Bachelor of Pharmacy Programme	213 Credits
3 Years Bachelor of Science Programme	98 Credits
2 Years Master of Science Programme	80 Credits
3 Years Bachelor of Arts Programme	96 Credits
2 Years Master of Arts Programme	80 Credits
2 Years M.Tech Programme	95 Credits
2 Years Master of Computer Application Programme	92 Credits
3 Years Bachelor of Computer Application Programme	134 Credits
2 Years MBA Programme	100 Credits
3 Years BBA Programme	146 Credits
2 Years M.Com Programme	80 Credits
3 Years B.Com Programme	120 Credits
2 Years Bachelor of Edication (B.Ed) Programme	52 Credits
2 Years Diploma in Elementary Education (D.El.Ed) Programme	80 Credits
3 Years Diploma in Engineering Programme	171 Credits

K.K. UNIVERSITY 803115 NALANDA

3.9.2 Introducing New Courses/Revising Existing Courses

The courses are designed as per the needs of the industry and other organizations offering employment to the students of the University. The new courses are created based on the feedback received from various stakeholders including faculty, students, academic experts, and industry. A committee at the level of the department is constituted to propose new courses or propose revisions to the existing curriculum.

The new course/revised course is discussed by the area experts and a preliminary draft is prepared. The preliminary draft of the course is placed in the meeting of the **Board of Studies** for discussion and modification. The curriculum finally approved by the board of studies is sent for approval to the academic office where after approval the course is allotted the code.

The new/revised course duly assigned code is placed before the **Academic Council** for final approval.

3.9.3 Constitution of the Board of Studies

The Board of Studies is to be constituted at the school/institute level. However, in some cases, the board ofstudies may be constituted at the **faculty** level. The board of studies is required to have the following composition:

Dean/Asso. Dean/Asst. Dean	Chairperson
All Professors	Members
1 Associate Professor	Member
1 Subject Expert	Member
1/2 External Expert	Member

3.9.4 Introducing new discipline descriptors

Whenever a school needs to introduce a new discipline descriptor approval has to be sought from the Pro Vice Chancellor. The following information must be included in the submission:

(i) proposed alpha code;
(ii) statement of justification;
(iii) academic organization (school or organizational unit that will be responsible for administration of the courses under this discipline.

3.3 Grading System

The level of student's academic performance as the aggregate of continuous evaluation and end-term examination shall be reflected by letter grades on a ten-point scale according to connotation as given below

Connotation

Grade	Qualitative meaning	Grade Point Attached
O	Outstanding	10
A+	Excellent	9
A	Very Good	8
B+	Good	7
B	Above Average	6
C	Average	5

K.K. UNIVERSITY 803115 NALANDA

P	Pass	4
F	Fail / Absent	0

The semester performance of a student will be indicated as –Semester Grade Point Average (SGPA). The SGPA will be weighed an average of Grade Points of all letter grades received by a student for all the course units in the semester. The formula for computing SGPA is given below

$$SGPA = \frac{U_1G_1 + U_2G_2 + U_3G_3 + ----------}{U_1 + U_2 + U_3 + ----------}$$

Where U_1, U_2 , U_3 denote credits associated with courses taken by the student and G_1,G_2,G_3 are the Grade Point of the letter grades awarded in the respective Course.

CGPA is not applicable in first semester. CGPA is calculated on the basis of SGPA.

For example in II Semester the formula for CGPA is

$$CGPA = \frac{\text{Cumulative points secured in all passed course in I \& } IISem}{\text{Cumulative Associated Credit Units in I \& } IIsemesters}$$

The successful candidates shall be placed in Divisions as below:

CGPA	EQUIVALENT DIVISION
9.0 & above	First Division with Certificate of Merit
8.0 but less than 9.0	First Division with Distinction
6.5 but less than 8.0	First Division
5.5 to 6.5	Second Division

4. ICT Enabled Learning

4.1 Under the digital initiatives of K. K. University Biharsharif, the teaching –learning processes of theUniversity focus on the use of ICT. This is done with an objective of shifting the focus from a **teacher centric learning** process to a **student/ learner centric** learning process. Such an approach caters to the diverse needs of students allowing the students to engage in

Choice
Collaboration
Communication
Critical thinking
Creativity

4.2 Blended Learning Approach

4.2.1 A blended learning approach combines e-learning through online digital media with traditional classroom methods and independent study to create a new hybrid teaching methodology

K.K. UNIVERSITY 803115 NALANDA

with an objective of increasing the student engagement and bringing in flexibility in the teaching learning process. It represents, in many cases, a fundamental change in the way teachers and students approach the learning experience

4.2.2 The introduction and use of **digital platforms** provides a flexible approach to teaching and learning. Digital learning platforms include personalized learning technologies embedded around a digital text book and can be customized by faculty to suit the needs of a specific class. They can be used on any device and involve quizzes, problems and games to keep students interested in the topic.

4.2.3 Through this interface the students are **more engaged**, get **immediate feedback**, have better **retention** and are easily able to build a foundation of knowledge by learning new concepts. An additional innovative feature of these platforms is the use of **adaptive learning technology** wherein the lessons are individualized to assess the students knowledge and assess them with concepts they need help with.

4.2.4 A course created in a blended learning model uses the classroom time for activities that benefit the most from direct interaction. Traditional education (especially at the college level) tends to place an emphasis on delivering material by way of a lecture, while in a blended learning model lectures can be videotaped ahead of time so the student can watch on their own time. The classroom time is more likely to be for structured exercises that emphasize the application of the curriculum to solve problems or work through tasks.

4.2.5 During the blended learning session the teacher has to play the role of a facilitator of student learning by stimulating and challenging the students towards meaningful learning.
Facilitators focus on the following key areas:

(i) Development and compilation of online and offline course content.
(ii) Guiding the learning experience of individual students, and customizing material wherever possible to strengthen the learning experience.
(iii) Assessment

4.3 Blended Learning and other Student Centric Pedagogical Tools

Blended learning has three primary components:

(i) In-person classroom activities facilitated by a trained educator.
(ii) Online learning materials, often including pre-recorded lectures
(iii) Structured independent study time guided by the material in the lectures and skills developed during the classroom experience.

Following are some the blended learning and student centric pedagogical tools which faculty can choose from to include in their teaching pedagogy

4.3.1 **MOOCs**– Massive Open Online Courses -. These are online courses available for anyone to enroll with an objective of providing an affordable and flexible way to acquire knowledge
In addition to traditional course materials such as filmed lectures, readings, and assessment material, many MOOCs provide interactive user forums to support community interactions among students and the faculty.
Through MOOCS students have access to the expertise of eminent faculty from across the world resulting in enhanced academic rigour.

K.K. UNIVERSITY 803115 NALANDA

4.3.2 **Flipped Classrooms** – It reverses the traditional approach to learning. Students watch the learners videos in their own time and space, giving them opportunity to work at their own pace. It also allows time in the classroom to be used in critical thinking

It is an activity that allows learners to occupy center stage in the learning process. Also, this technique better utilizes the time of faculty-learner interaction. The learners become aware of the basic concepts through introductory videos and in the classroom they are able to participate and finally discover outcomes by giving a meaning to their experience.

4.3.3 Teach-back/ Student led Seminar

Teach Back means _Learn by explaining to other people what we think we know'. Teach back is a method of instruction in which learners make an oral presentation followed by discussion on a specific topic. Such seminars are more interactive than a lecture. For this mode of instruction to be effective, it is suggested that the faculty makes it as interactive as possible.

Overall Objectives of Learner Led Seminar Techniques/ Teach Back

(i) To facilitate learners to understand the method of studying a topic/subject.
(ii) To encourage learners to think about practical problems that may come up with a particular topic..
(iii) To encourage learners to become independent and autonomous learners.

4.3.4 **Simulation** – These techniques can be used to teach many topics in engineering and social sciences. Simulation help in replicating real life situations to help the students experience the actual situation they would be facing.

4.3.5 **Brainstorming/Problem solving** – Brain storming is a technique used to generate large number of ideas.The technique was devised by Alex Faickney Osborn and was widely used by business managers to generate ideas and to find out creative ways of resolving management crisis around 1930s. Now the technique is also being used for teaching/learning, with certain modifications.
There are two types of brain storming (based on the number of participants):

4.3.6 **Case Study** – A Case Study is an open-ended actual story. It brings chunks of reality into the classroom.
(i) This method is used for solving a difficult problem or in case of a dilemma without an obvious solution.
(ii) It forces us to deal with a real life situation where we have to answer:–What do we do now?‖
(iii) The case study should be:
(iv) Context-based, relevant and involve relatively realistic scenario or situation or problem.
(v) Challenging but not too frustrating a problem, task, or situation.
(vi) An open-ended problem or situation that requires careful formulation (one should definitely be able to find a solution).
(vii) A problem or situation that motivates the learner to explore, investigate, and study.
(viii) A problem or situation that encourages interaction: among learners, learners and facilitator, between learner and the outside resources.

K.K. UNIVERSITY 803115 NALANDA

Overall Objective of Case Study Method

- To offer a less instructive approach to teaching
- To stress on the development of learners' communication and higher order thinking skills
- To encourage learners to engage in critical analysis and ensure active learner participation

4.3.7 **Mini Survey/ Projects** – Survey research is one of the most important areas of measurement in applied social research. The broad area of survey research encompasses any measurement procedures that involve asking questions of respondents. A –survey‖ can be anything from a short paper-and-pencil feedback form to an intensive one-on-one in-depth interview. Similarly small projects with the industry support can help students understand the application of the concept.

4.44. Integrating blended learning in the teaching learning process

4.4.1 Faculty need to ensure that blended learning forms an integral part of the teaching learning process

4.4.2 The part of the course delivery to be done in blended learning / hybrid teaching learning approach should be reflected in the session plan being prepared by the faculty.

4.4.3 The faculty can decide on the **blended learning techniques** to be used in the class based on their suitability to help students understand a particular topic. For example, for a course in commerce and management the students may be required to take up a related MOOC course. However, the technique to be used has to be pre-decided and clearly mentioned in the session plan. Also, availability of necessary resources in the form of relevant material required like videos, case studies etc should be ensured.

4.5 **Assessment Process-** Every faculty needs to design a well thought of **Assessment / Evaluation Process** which takes into consideration all the pedagogical components. The assessment should be such that the student performance is evaluated against the learning outcomes. For example if a student goes through a MOOC to study a specified topic, a quiz or a problem solving exercise can beconducted by the faculty to assess the learning outcome.

4.6 **Pedagogical Training-** Faculty development programmes need to be conducted in the innovative pedagogical techniques, preparation of course manual and student assessment under the blended learning approach.

4.7 MOOCs Resources

A comprehensive list of MOOC resources will be available with the respective institutions. These include the UGC approved MOOCs courses June 2017 available on the Swayam Platform in the UGC website. Faculty can recommend these courses to the students and also included them in the course manual. Credits earned through these MOOC courses can contributed of the related course offered under the programme by the University. **(Annexure-5)**

K.K. UNIVERSITY 803115 NALANDA

5.1 Guidelines for preparing the Course Manual

5.1.1 Course Manual needs to be prepared for all **theory and practical courses**. However, this excludes all NTCC (Non teaching credit courses) viz. Term paper, Dissertation, Summer Training Evaluation, Project, Workshop, Research Paper, Study Abroad Programme.

5.1.2**For blended learning and student centric approach** faculty may use one or more from the various techniques like MOOCS, Day with expert, Case Study, Teach Back, Quiz,Mini-Survey,Simulations/Games,Brain-Storming/Argumentation,Flipped classroom. However, this list is not exhaustive. Faculty may use any other suitable pedagogical technique to ensure optimal learning.

5.1.3 Keeping in line with philosophy of AUH of being an **industry integrated university** it is important that the students interact with experts from the industry on a regular basis. As previously stated in 3.7.5 two **sessions per course be taught by experts from the industry**. Thetopics have to be identified and clearly specified in the course manual. Also the **assessment of learning** from this interaction has to form a part of the overall internal evaluation.

5.1.4 The course manual should contain relevant study and reference material including cases, additional readings, as an annexure, URLs etc

6. Course Registration

6.1 All students are required to fill the Student Profile Sheet as given in **Annexure-7** at beginning of the Programme. It is also mandatory for all students to register every semester till the end of his/her study, for courses that he/she is going to study in the semester through a Course Registration process.

6.2The Course Registration will be carried out on a specific day as declared by the University in advance. Students having any outstanding dues to the University shall not be permitted to register. For valid reasons, late registration for a maximum of two weeks from the commencement of the semester may be permitted only with the approval of the School Director concerned and on payment of a late Registration fee as specified by the University. Approval of Faculty Mentor is necessary for a student to undergo Course Registration.

6.3 Depending on academic and non-academic resources available to each programme, courses offered may vary. Upon joining the University, each student will be assigned a Mentor by the School concerned to support him in making the right choice of courses. The Mentor will discuss with the student on his/her academic performance in previous semester(s) and suggest the number and nature of courses to be registered in the ensuing semester, within the framework of that programme curriculum. Students having backlogs or under probation may get advice for pacing the programme.

6.4 Process of selection of Electives

K.K. UNIVERSITY 808115 NALANDA

6.4.1 For first semester students at the time of orientation the student is asked to give his choice of electives. The student also fills out a profile sheet which gives an overall perspective of the programme structure in terms of the credits he will be required to earn each semester through his core courses and electives. For open electives the student gives three choices. These choices are then verified by the programme coordinators, course is allocated to the student and from the Heads of the School on account the course is entered onto the university ERP. These courses are then visible to the student in their respective ERP account.

6.4.2 For students of semesters other than the first semester the choices are taken from the students before they leave for the term break. This helps in finalizing the faculty allocation and time tables before the commencement of the new semester

6.4.3 The student has the **option of changing his elective within three weeks of the commencement of the classes.** The attendance of the student is also transferred from the previously selected course to the new choice of course to prevent the likelihood of shortage of attendance.

7. Attendance

Students are expected to have 100% attendance. Relaxation of maximum 25% may be allowed to cater for sickness or other valid reasons beyond the control of the students. A student whose attendance is less than 75%, **whatever may be the reason for shortfall**, will not be permitted to appear in the End Semester Examination (ESE) for the subject in which the shortfall exists.

Under extreme special circumstances, Vice Chancellor through the recommendation of the Pro Vice Chancellor may condone attendance up to 5% below 75% on the request of the student and the recommendation of the Heads of the Schools. Such students will fall under the B+ cap category, i.e., the student beyond B+ grade will be able to score a maximum of B+ grade in the said course for which he/she has been given the waiver.

The attendance will be marked in the attendance register as well. It is important that the attendance be marked by the concerned faculty within 48 hours of holding the class.

Every teaching faculty handling a class will take attendance till the last day of the class. The percentage of attendance up to this day will be calculated and forwarded to Examination Departmentby the Heads of the Schools for issue of Admit Cards.

If a student is continuously absent for a period of one week without permission by the Heads, a notice will be sent to the student and to his parents / guardian with intimation to Registrar. If a student remains absent continuously for 30 days without permission, his name will be struck off. Such a student may apply for re-admission. The Heads of the school will examine his performance in all semesters and back log of papers and forward recommendations to Pro VC's office to decide as to whether he should be given re-admission or not. Based on the recommendations, decision for re-admission and the semester in which re-admission is to be given will be taken. After discussion, the Academic Council approved the closure of M.A. (Political Science) course from session 2023-24.

K.K. UNIVERSITY 803115

AC 7.5 Implementation of departmental sports meets including faculty and students of all Schools of the University to initiate the vision of NEP program.

NEP 2020 gives special attention to sports-integrated learnings for students to adopt fitness as a lifelong attitude. Keeping in mind for creating awareness about fitness and sports among faculties and students, put forward agenda no. 7.5 for approval.

The AC members applauded the initiatives and recommended to implement the departmental sports meet on regular basis.

AC 7.6 Implementation of Soft Skill training, personality development classes, experiential learning and Industrial visit for overall holistic development in all Schools of the University

Interdisciplinary experiential active learning is required to face the challenges of the new era. For overall holistic development, industrial visits, soft skill and communication is the need of the hour. The AC members considered the agenda for Implementation of Soft Skill training, personality development classes, experiential learning and Industrial visit in all Schools of the university. The Chair directed the Deans to coordinate with the Training and Placement department to implement the much-needed training programs for the students.

AC 7.7 Implementation of Yoga and Meditation camps keeping in view the mental wellbeing in all Schools of the University

NEP 2020 aims to make physical education, sports, yoga, and mental health accessible to the masses. The NEP 2020 also expects to include yoga, naturopathy, and the Ayush system in the curriculum for healthcare education. Yoga can help with stress reduction, balancing hormones, and improving fertility. Yoga education can also help develop knowledge, attitudes, and skills for moral values, social ethics, health welfare, and socioeconomic development. Keeping in mind the wellbeing of faculty and students, agenda no. 7.5 put forwarded for approval of Implementation of Yoga and Meditation camps keeping in view the mental wellbeing in all Schools of the University.

Keeping in view, the expenses involved and demand of the courses, Agenda no. 7.10, put forwarded as per annexure-IV for approval of revised fee structure for session 2023-24.

After deliberation at length, the AC recommended the proposal for revision of fee.

Agenda 7.11 To initiate the Doctoral Program (Ph.D.) in Management, Engineering and Applied Sciences from the academic session 2023-24

Research is a critical tool for understanding our complex world. It drives progress by uncovering new knowledge and improving existing technologies. It enriches education by expanding our understanding of various subjects. Research fuels economic development and competitiveness. To cater the need of Research and development, Doctoral Program (Ph.D) should be an advantage. Keeping in mind, initiation of Doctoral Program in Management, Engineering and Applied science from the academic session 2023-24 proposed. Member Secretary requested that agenda item No- 7.10 may please be perused, examined and approved.

After deliberation the AC agreed to start Doctoral Program (Ph.D) in Management, Engineering and Applied science from the academic session 2023-24.

AC 7.12 Implementation of automation in examination cell through ERP from session 2023-24.

University is growing and the number of enrolments is increasing each year. To reduce the manual work error, load on staff, hassle free examination, to secured process, automation in examination cell through ERP is a good choice, which may be eco-friendly as well as cost effective. Keeping this in view all these, agenda no. 7.12 is put forwarded by member secretary for consideration.

The AC members applauded the initiatives and recommended for Implementation of automation in examination cell through ERP from session 2023-24.

K.K. UNIVERSITY 803115 NALANDA

MINUTES OF MEETING

BOARD OF STUDIES 2022

Minutes of the 6th meeting of the Board of Studies of the School of Engineering and Technology was held on August 4th, 2022 at 2:30 PM in Board Room, K.K. University, Bihar Sharif, Nalanda.

The following Members were present in the meeting:

1.	**Dr. Dinesh Kumar Sharma**	**Chairperson**
2	**Dr. Satyendra Prasad**	**External Expert**
3	**Dr. Vijay Kumar Singh (HOD, ME)**	**Member**
4	**Mr. Madhuraj (Faculty, EE)**	**Member**
5	**Mr. Deepak Kumar (Faculty, Civil)**	**Member**
6	**Mr. Ramesh Kumar (Faculty, CSE)**	**Member**
7	**Md. Afroz Kazimi (Faculty. ECE)**	**Member**

At the outset, the Chairperson of the Board of Studies welcomed all the members and directed Dr. Dinesh Kumar Sharma to perform the work of Secretary of the BOS of the School of Engineering and Technology, K.K University, and to start the proceedings of the Meeting by reading the agenda items.

K.K. UNIVERSITY 803115 NALANDA

School of Engineering and Technology

K. K. University, Bihar Sharif, Nalanda

Agenda of The Meeting:

I. Revision of existing course codes of all the courses of School of Engineering & Technology
II. Introduction of Interdisciplinary experimental Active learning lab (IDEA LAB)
III. Introduction of new courses and labs viz. Engineering Physics (ETSH101), Engineering Chemistry (ETSH105), Engineering Physics Lab (ETSH111) and Engineering Chemistry Lab (ETSH115).
IV. Removal of courses viz. Fundamental of Basic Science (ETSH101), and Fundamental of Basic Science Lab (ETSH111).

Proceeding of the meeting:

At the outset, the Chairperson welcomed all the members and presented the agenda items.

Item BOS 6.1: I. Revision of existing courses codes of all the courses for the School of Engineering and Technology.

Resolution: The members discussed and agreed to remove the letter 'A' from the existing subject codes. The revised course codes for all the courses are annexed in Annexure – I.

Item BOS 6.2: Introduction of Interdisciplinary experimental Active learning lab (IDEA LAB).

Resolution: The intent is to upskill the fundamental engineering and instrumentation skills like repairing electrical and mechanical appliances, handling small auto gear machines, and diesel machines as well as hands-on training in workshops on civil works. The members agreed to introduce an Interdisciplinary experimental Active learning lab (IDEA LAB) to facilitate the student's new-age learning under one roof for converging the idea into a prototype.

Item BOS 6.3: I. Introduction of new courses and labs viz. Engineering Physics (ETSH101), Engineering Chemistry (ETSH105), Engineering Physics Lab (ETSH111) and Engineering Chemistry Lab (ETSH115).

Resolution: To enrich the curriculum with a strong emphasis on advanced Physics and Chemistry alongside striking a balance between theoretical and practical facts of science, the members felt the importance of the introduction of new courses viz. Engineering Physics (ETSH101) and Engineering Chemistry (ETSH105) including Engineering Physics Lab (ETSH111), and Engineering Chemistry Lab (ETSH115) to enable a practical approach. This

K. K. UNIVERSITY 803115 NALANDA

exercise will align with the AICTE directives. Members discussed and unanimously finalized the new courses for the School of Engineering and Technology to align with the industry's needs.

Item BOS 6.4: I. Removal of courses viz. Fundamental of Basic Science (ETSH101), and Fundamental of Basic Science Lab (ETSH111).

Resolution: The members discussed and recommended removing the courses viz., Fundamental of Basic Science (ETSH101), and Fundamental of Basic Science Lab (ETSH111) because the courses like Engineering Physics (ETSH101), Engineering Chemistry (ETSH105) with Engineering Physics Lab (ETSH111), and Engineering Chemistry Lab (ETSH115) have been already included in the new curriculum which includes the content of Basic Science (ETSH101), and Fundamental of Basic Science Lab (ETSH111). The proposed courses need to be removed since these courses have already been included concerning the content of Fundamental of Basic Science (ETSH101), and Fundamental of Basic Science Lab (ETSH111).

The meeting ended with a vote of thanks to the chair.
