Welcome Note:

From the desk of
FOUNDER & CHANCELLOR

In the current era of knowledge- based economy, technical education is the key to the socio-economic development of the country. I feel very much elated with the admission process going-on in K. K. University (KKU) and pleased to acknowledge that our dream to spread quality education in Bihar is coming true with the establishment of K. K. University. This University with its presence in rural Surroundings focuses on having unique approach towards developing a knowledge campus. Our aim is to set up an institution with par excellence competitive to the best in the world. Today, I am proud to say that we have been greatly successful in our endeavor.

The prime objective of the University is to deliver much desired quality of services the students need for becoming a successful professional and/or an entrepreneur with a competitive edge. The picturesque campus with its aesthetic buildings, human resources, laboratories, workshop, library, playground, games and sports complex, highly qualified faculty members etc. has laid a sound foundation for acquiring quality higher and technical education on the campus. We are passionate about grooming students as competent professionals, good human beings with ethical values and respect for Indian traditions (sanskar). While ensuring holistic education to lay the foundation of good human values, we instill the sense of responsibility as expected of enlightened citizens. It is assured that the pass-outs / graduates will be proud learner, confident and successful professional after the completion of course at KKU.

At the end, I must say that our students remain our best ambassadors, who, after passing out, will be equipped in every aspect to successfully meet the challenges and expectations of the Industry.

I welcome all the new entrants, and wish them all the best.

Er. Ravi Chaudhary
Founder & Chancellor

Er. Ravi Chaudhary

From the desk of
VISITOR

Dear Students,

We are delighted to welcome you to K. K. University, where your energy and excitement enrich our vibrant campus life. Whether you are beginning or continuing your educational journey with us, we look forward to learning, exploring, and growing together.

At K. K. University, you – our students – are our highest priority, and we are dedicated to both your academic and personal growth. As you experience our campus and all it has to offer, we hope you will feel the strong sense of community that is at our core. We are not only passionate about education, but care deeply about our neighbours, our environment, and each other. This attitude of sensitivity and support informs our approach to daily campus life.

We work collaboratively to foster a campus culture that is compassionate, inclusive, supportive, and safe. This is a place where we celebrate our differences, and learn from the variety of perspectives represented in our vibrant community. By honouring and respecting each other, we create a living and learning environment where we can all pursue our dreams and reach our highest potential.

This is a place of high ambition and broad impact. You will find academic excellence and diversity are central to K. K. University mission and vision.

We look forward to seeing your smiling faces during our daily walks on our beautiful campus!

Sincerely,

Tanuja Chaudhary

From the desk of
PRO-CHANCELLOR

We, at K. K. University, are committed to motivate students to learn and practice knowledge and skills, necessary to face challenges in life and contribute to global economy." The thrust is given to establish a world class center of learning in the field of engineering and applied sciences. Through quality education, each student is expected to empower technical and professional competence to succeed in competitive environment and achieve a successful career.

The various schools seek to develop in its students the technical acumen and expertise, managerial skills and professional versatility required in industrial domains now. We expect to offer the best academic ambience and placement assistance. We instill a vision to go beyond the conventional practice through sustenance, innovation, research and application.

A meticulously planned effort to embark upon real life projects, the synergic venture of academia and industry for enabling students to take the leadership is what we have been relentlessly working upon. We welcome the new entrants to be a part of this exploratory journey through which the lessons of life and the nuances of technology would be seamlessly integrated among the students.

Er. Richee Ravi

From the desk of
VICE-CHANCELLOR

Nalanda is famous as an ancient seat of learning which was founded in the 5th Century AD and the K. K. University (KKU), Nalanda shall not leave any stone unturned to bring back the ancient glory of Nalanda in the field of education, training and research. We wish to uphold the high moral values among our students to make them best Professionals and Citizens of the Country.

It gives me immense pleasure to inform you that K. K. University, Nalanda caters to a range of programs viz Engineering, MBA and MCA are AICTE approved while Education, Law, Pharmacy are NCTE, BCI & PCI approved programs. Arts/Humanities and Social Sciences, Agriculture and Science are run as per UGC norms with due approval of Academic Council of KKU. As you all are aware that industry sector in our Country employs millions of professionals and is expected to add many more millions by 2025 in different sectors.

K.K. University, Nalanda is working towards bridging the skill gap by providing Quality Education with technical / professional training to our students and prepares them to face the further global challenges for more employment-ready with experiential learning knowledge as potential skilled workforce so as to overcome the challenges.

Lush green campus, articulated labs, well equipped library, hygienic mess, out-door and indoor games and sports facilities are few other facilities feathers in the cap of K. K. University.

Prof. (Dr) Badiadka Narayana

From the desk of
PRO-VICE-CHANCELLOR

It is indeed a great pleasure for me to be part of this prestigious educational institution located in the historic city of Nalanda, Bihar. The university with its experienced and dedicated fraternity is committed to provide quality education to its students and preparing them with the challenge of the modern era. With a focus on inclusive and outcome based education, the students are trained to equip students coming from across the state of Bihar joining the university in Undergraduate, Post- graduate and Diploma Programs.

I am happy to share that the university has interesting areas available for the students ranging from engineering, computer science, agriculture, pharmacy, law, education, science, arts and culture, library science, commerce and management alligning with NEP 2020 Principles. The aim is to empower and upliftment of rural sector of the country through an experiential teaching and learning pedagogy. Students can choose subjects keeping in mind to their interest and opportunities in the industry and being employable.

We constantly strive to attract the best students through peer learning, mentorship, career counseling and guidance. Merit based scholarships to create an environment that is conducive with an impact towards outcome based education. I wish and ensure on behalf of the University family that we will guide you in pursuit to excellence and make the family proud on your attainments.

Prof. (Dr) Rumki Bandyopadhyay

ABOUT THE UNIVERSITY

K.K. University (KKU), Nalanda, under the aegis of Samajik Kalyan Sanstha, is a state private university located in the historic district of Nalanda Bihar, India. Established under the Bihar Private Universities Act, 2013; included in the list of universities established under section 2 (f) of the UGC Act, 1956 and is accredited with prominent professional bodies like AICTE, PCI, BCI and NCTE. The university offers a diverse range of undergraduate, postgraduate, and doctoral programs across multiple disciplines like Engineering (Including Polytechnic), Management, Pharmacy, Agriculture, Arts, Science, Law, Education, and Library Science. The university campus is surrounded by the rich cultural and educational heritage of Bihar, inspiring students to excel in their academic and professional journeys. KKU aligned with the National Education Policy (NEP) 2020. Here are some ways KKU has implanted NEP 2020 principles:

1. **Multidisciplinary and Holistic Education**
   - **Flexible Course Structures**: Offering multidisciplinary programs where students combine science, arts, and other streams.
   - **Skill-based Learning**: Emphasis on practical skills, research, and problem-solving.
2. **Choice-Based Credit System (CBCS)**
3. **Exit Options and Credit Transfer**
   - Multiple entry and exit points in degree programs allow students to earn certificates, diplomas, or degrees based on their study duration.
   - Credit transfer mechanisms through initiatives like the Academic Bank of Credits (ABC).
4. **Skill Enhancement and Internships**
   - Collaboration with industries for skill development programs and internships.
5. **Focus on Inclusive Education**
   - Providing scholarships and financial aid to students from economically weaker sections.

   Join K.K. University, Nalanda, and embark on a transformative educational journey!

Vision

To be recognised and known for its contribution towards an inclusive, sustainable and outcome based education enabling rural upliftment and societal benefit at large. We strive towards developing varied knowledge through inculcating discipline, ethics and moral values among fraternity influencing learner behaviour through industry – academia partnership and technology. We seek to ensure equitable quality education producing new knowledge towards generating employability.

Mission
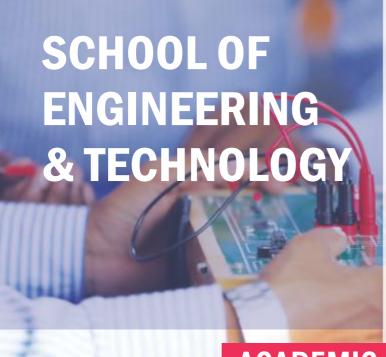

- *To equip students to be familiar with technology enabling competent professional and socially responsible.*
- *To envision in creating centres of excellence through transformative knowledge and research.*
- *To educate and nurture youth of tomorrow capable and responsible of virtuous leadership.*
- *To stimulate thinkers and doers in a pathway to become entrepreneurs.*

Recognitions & Accreditation

Recognised by : UGC

Accredited by : AICTE   PCI   BCI   NCTE

1	School of Engineering & Technology
2	School of Pharmacy & Paramedical Sciences
3	School of Agriculture Sciences
4	School of Education, Training & Research
5	School of Law & Legal Science
6	School of Applied Sciences
7	School of Arts & Culture
8	School of Commerce & Management
9	School of Library & Information Science

SCHOOL OF ENGINEERING & TECHNOLOGY

The School of Engineering & Technology (SOET), offers AICTE/UGC approved Diploma, UG & PG Programmes in different streams like : Civil Engineering, Mechanical Engineering, Electrical Engineering & Computer Science Engineering.

SOET is committed to drive students through practical approach so as to equip students to cater to the industry demand. The aim is to create a role model in transforming educator through innovative pedagogy in teaching & learning.

SOET is equipped with modern infra facilities viz., smart Boards, Language lab, Laboratories, Central Library, Computer Labs & Sports facilities.

Seminars, workshops & expert lecture series are conducted time to time that focus on social sensitivity and an eye to grip opportunities at global outlook.

ACADEMIC PROGRAMME

Diploma : 3 Years / 2 Years (Lateral Entry)

- Mechanical Engineering
- Electrical Engineering
- Civil Engineering

Undergraduate Diploma : 2 Years

- Mechanical Engineering
- Electrical Engineering
- Civil Engineering
- Computer Science & Engineering

Bachelor of Technology : 4 Years / 3 Years (Lateral Entry)

- Mechanical Engineering
- Electrical Engineering
- Civil Engineering
- Computer Science & Engineering

Postgraduate Diploma : 1 Years

- Transportation Engineering
- Structural Engineering
- Manufacturing System Engineering
- Power System Engineering
- Computer Science and Engineering

Master of Technology : 2 Years

- Transportation Engineering
- Structural Engineering
- Manufacturing System Engineering
- Power System Engineering
- Computer Science and Engineering

UG Diploma/Bachelor/PG/Master of Computer Application : 2/3/1/2 Years

Ph.D. : Full Time / Part Time

SCHOOL OF PHARMACY & PARAMEDICAL SCIENCES

The School of Pharmacy & Paramedical Sciences accredited by Pharmacy Council of India (**PCI**) includes a diverse community of scholars who work together and inspire one another in pharmaceutical research, practice, and service with an aim to enhance the quality of life for people globally. The school aims in providing brand new, cutting-edge facilities to its students that act as a perfect resource for them to learn, grow, and put their ideas into practice. They develop future pharmacists who can meet the physical, emotional, and spiritual needs of patients with ethics and commitment.

ACADEMIC PROGRAMME

- Bachelor of Pharmacy (B.Pharm.) - 4 Years
- Diploma in Pharmacy (D.Pharm.) - 2 Years
- Ph.D. (Full Time / Part Time)

SCHOOL OF AGRICULTURE SCIENCES

The School of Agriculture Sciences is dedicated to providing high quality education and training in the field of Agricultural Sciences following curricula underpinning multi disciplinary approach by integrating technological advancements. The School strives to meet international standards as well generate technologies and motivate trained human resource to foster sustainable agricultural production, protection and processing systems as envisaged by Indian Council of Agricultural Research and Government of India.

The School offers 4 year B.Sc. (Hons.) Agriculture and M.Sc. Agriculture in soil science and agronomy. This course is supported by the faculties and facilities of a number of other Departments including Basic Sciences, Engineering, Economics, Business, Languages, Law etc. This programme is an amalgamation of several relevant branches of science and technology and are aimed at producing job oriented, well trained, groomed and motivated human resource for various agricultural, horticultural and allied sectors.

School of Agriculture also focuses on inculcating the ethical and moral values in students. Students are motivated to interact with the farmers and participate actively in seminars, symposia, conferences and workshops. The School has eminent and highly qualified faculty with Doctoral and Post-Doctoral research experience and excellent track record in teaching and research in the current areas of Agriculture and allied Sciences.

KKU Collaborated with Garuda Aerospace in advancing drone education and technology across the State of Bihar.

ACADEMIC PROGRAMME

B.Sc. (Hons.) - Agriculture - 4 Years
M.Sc. - Agriculture - 2 Years
Ph.D. (Full Time & Part Time)

SCHOOL OF EDUCATION, TRAINING & RESEARCH

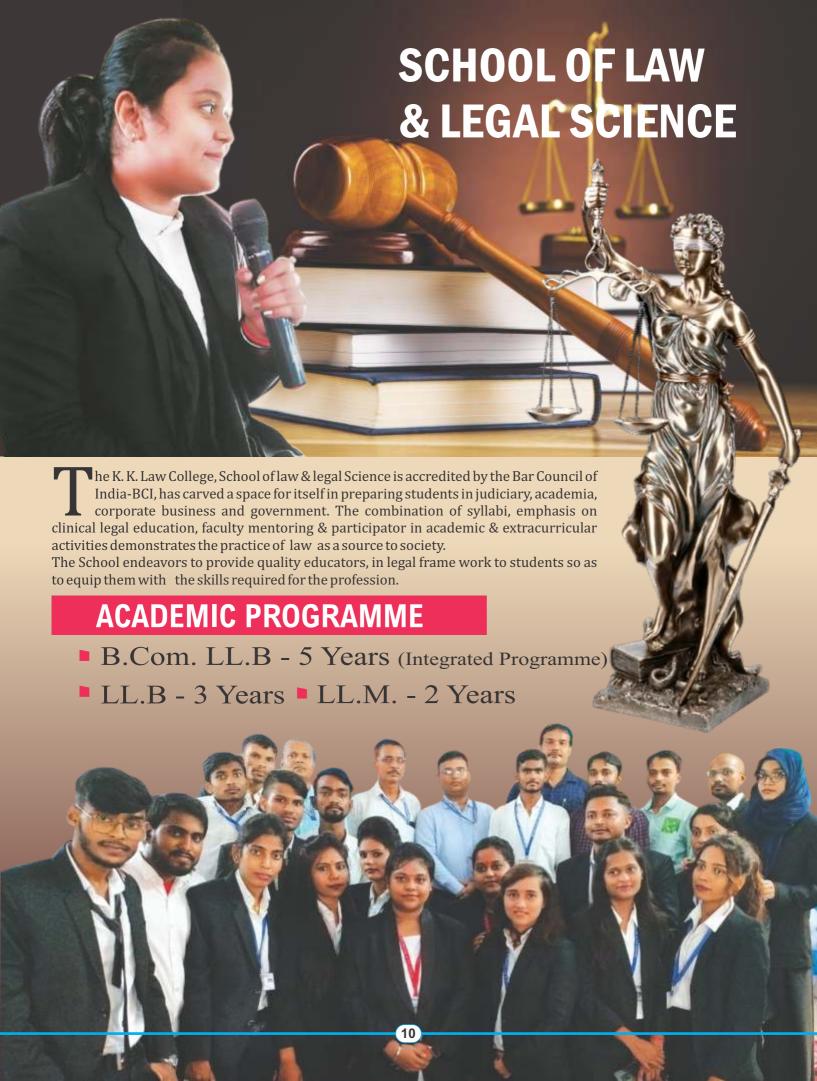

ACADEMIC PROGRAMME

Bachelor of Education (B.Ed.) - 2 Years
Diploma in Elementary Education (D.EI.Ed.) - 2 Years
Ph.D. (Full Time / Part Time)

School of Education, Training & Research (SOETR) is accredited by **NCTE,** an intellectually vibrant community which is nationally acclaimed and is are liable source of knowledge about the systems that impact student's educational and social development along with educator's professional development.

The distinct programs offered at SOETR come with a blend of theory and practical opportunities. Educators are equipped to become agents of change in their schools, and in local and global communities. The curriculum at SOETR is in line with the global trends regarding student-teacher education that facilitates a deep understanding of global competitiveness, academic strength, hands-on learning of teaching skills and first-hand experience of the school environment and work culture.

Dedicated attention, skill building and meaningful relationships are core outcomes of the student experience. The faculties are committed to best practices, active learning and student-centered pedagogy. They not only teach content, but they model it as well by building relationships with students, facilitating engaging discussions and providing an authentic assessment that stretches You as a lifelong learner.

SCHOOL OF LAW & LEGAL SCIENCE

The K. K. Law College, School of law & legal Science is accredited by the Bar Council of India-BCI, has carved a space for itself in preparing students in judiciary, academia, corporate business and government. The combination of syllabi, emphasis on clinical legal education, faculty mentoring & participator in academic & extracurricular activities demonstrates the practice of law as a source to society.

The School endeavors to provide quality educators, in legal frame work to students so as to equip them with the skills required for the profession.

ACADEMIC PROGRAMME

- B.Com. LL.B - 5 Years (Integrated Programme)
- LL.B - 3 Years
- LL.M. - 2 Years

The School of Applied Science is unique from other institutions of higher learning as it is committed to imparting knowledge in pure sciences, which not only forms the foundation for further academic pursuits in science and technology but also acts as the foundation for students to pursue a career in research and higher-level teaching.

The academic programme is designed to meet the requirement of the latest technological developments and envisages becoming a state-of-the-art department providing high-quality education and cutting-edge inter disciplinary research in science.

The course will open lucrative career avenues in R&D, teach in gand research in reputed industries. The course offers intensive interaction with relevant industries and academic institutions, including those with which KKU has tie-ups, through summer placements, major and minor projects and industry-led courses embedded in the study programme. Students will also get opportunities and academic assistance to prepare for GATE, NET and SET examinations. Faculty members of the School of Applied Sciences are actively engaged in

research in the frontier areas, resulting in publications in international and national journals, participation in international and national conferences.

SCHOOL OF APPLIED SCIENCES

ACADEMIC PROGRAMME

- **B.Sc. / B.Sc.(Hons) - 3 Years / 4 Years**
  Physics, Chemistry, Mathematics, Botany, Zoology
- **Master of Science (M.Sc.) - 2 Years**
  Physics, Chemistry, Mathematics, Botany, Zoology
- **Ph.D.** (Full Time / Part Time)

SCHOOL OF ARTS & CULTURE

KKU set up School of Arts & Culture accredited by **UGC**, to impart Bachelor's and Master's Degree courses in History, Geography and English, in Humanities stream. The courses are designed to provide students with strong foundations in Liberal Arts education and enable them to succeed in an increasingly diverse, complex and fast-changing world. The School aims to provide students with a variety of analytical tools; to develop their intellectual ability, critical-thinking skills, and creative

powers; and to equip them with the ethical sensibilities necessary for succeeding in today's complex societies. Multidisciplinary approach to the teaching-learning process will encourage students to explore beyond the confines of single disciplines.

ACADEMIC PROGRAMME

- B.A. / B.A.(Hons) - 3 Years / 4 Years
  History, Geography, English
- Master of Arts (M.A.) - 2 Years
  History, Geography, English
- Ph.D. (Full Time / Part Time)

SCHOOL OF COMMERCE & MANAGEMENT

Holistic Knowledge is the pillar of the teaching pedagogy of School of Commerce & Management. We believe that learning does not happen in classrooms alone and learning beyond classrooms is the kernel of Management studies. Accordingly, we assign students various activities where they need to apply classroom learning to overcome impediments and find appropriate solutions of difficult and tricky situations. We also encourage students to indulge in peer interaction through case studies and real life scenarios. These initiatives test their decision making skills and also prepare them for future challenges. Moreover, the students are given more exposure through plays, seminars, live projects and in-depth situational analysis by our dedicated faculty members. For the holistic development of the students, we arrange a host of personality development sessions, mock interviews, pre-placement interviews aptitude classes and more.

We believes in making business education highly relevant through constant course updates, regular industries interaction, hands-on exposure, faculty with right mix of industry and academic experience and more importantly a deep sense of responsibility to the society at large.

ACADEMIC PROGRAMME

- UG Diploma in Business Administration – 2 Years
- Bachelor of Business Administration – 3 Years
- B.Com / B.Com. (Hons.) – 3 Years / 4 Years
- Post Graduate Diploma in Commerce – 1 Year
- Master of Commerce – 2 Years
- Post Graduate Diploma in Management – 1 Years
- Master of Business Administration – 2 Years
- Ph.D (Full Time / Part Time)

SCHOOL OF LIBRARY & INFORMATION SCIENCE

Library and information science is accredited by **UGC** as the name implies, a combination of two fields: i) library science; and, ii)information science. The joint term is associated with schools of library and information science (SLIS). Library technique is a common term for the methods used for organizing, cataloging, use, and administration of a library. India has had a rich literary tradition, with education andresearch as its pillars. Dr. S. Radhakrishan, former president of India said, "In the old days teachers of India were themselves librarians and they held the highest esteem". Information has always played an important role in the growth of the human civilization from the primitive days. It also leads to the development of economic, political, social, occupational, cultural, and many other sectors of human society. But at the same time, it is important to realize that not all information is equally relevant for everybody. In the modern age, there are various channel of information, hence, it becomes essential to identify which source of information is authentic and which is inauthentic, for that, the librarian and the library staff plays a dynamic role. It is often said, "A library is a trinity made up of books, readers, and the staff". Out of these three components, books and staff are important for providing services to the reader, who is the third component of the trinity. An efficient management of libraries is important to achieve the societal and educational goals of a library. In order to provide better services to the users, another factor that needs to be considered is the human resource management.

Library science is an interdisciplinary or multi disciplinary field that applies the practices, perspectives, and tools of management, information technology, education, and other areas to libraries; the collection, organization, preservation, and dissemination of information resources; and the political economy of information.

ACADEMIC PROGRAMME

- Bachelor of Library & Information Science (B.Lib.I.Sc) - 1 Year
- Master of Library & Information Science (M.Lib.I.Sc) - 1 Year

📑 Admission Process

K.K University, Nalanda has developed intra school collaborative admission process, wherein, the subject experts from different schools of the university are involved in the various stages of admission process to select students with right aptitude who would be future professionals. Therefore, the admission process is designed keeping in mind the aptitude required for a particular program which varies from program to program comprising of a written test and/or Group discussion and/or Personal Interview. However, the university follows the Bihar Private Universities Act, 2013 (Bihar Act 20, 2013) and thus the due weight-age is given basis the merit to the previous academic performance of the candidate. Candidates with excellent academic record are eligible for meritorious scholarship and/or fee concession for the 1st semester with an exception to appear in the selection process.

The admission process of K.K University, Nalanda is fully automated right from the candidates obtaining the application form to enrolment of students. The facilities under admission system are:

1. The University shall announce, by advertisement in some leading regional newspapers and/website and or social media platform, as it may consider necessary, the date of application, last date for submission of application form, programs offered and such other information as may be necessary in this regard.
2. Candidates can apply online through Application Form made available on the website www.kkuniversity.ac.in by paying online Application Form fees of Rs. 500/- (Rupees Five Hundred Only). Application Form should be filled with correct information as per the procedure listed from time to time.
3. The Tele callers within a timeframe (max 72 hours) contacts to the enquirer. Subsequently, a preliminary tele counselling is conducted.
4. The candidate visits the university, the front office desk verifies the enquiry id of the candidate through the university ERP.
5. The front office desk provides an enquiry from with mention of the enquiry form id and directs the enquirer to the admission counselor for further processes.
6. Pre assessment test and/or group discussion and/or personal interview is then conducted with the support of the subject experts from the academic team from the schools of the university.
7. Verification process of all the documents of the selected candidate is completed by the admission counselor. Subsequently, the counselor provides an admission form to thecandidate for submission.
8. The counselor, submits the consolidated admission form to the admission managers for ERP input.
9. The application id is generated through the ERP by the admission manager.
10. The student id is then generated subsequent to the confirmation of the admission by the student.
11. The admission receipt/the payment receipt is then generated for the student for an admission of a particular course/programme.

Requirement of Documents

The list of documents to be uploaded at the time of Online/Offline Application for Admission Process and also to be produced as Self-Attested Photocopy at the time of admission verification:

- ❑ S.S.C. Examination (Std. X) Mark Sheet
- ❑ H.S.C. Examination (Std. XII) Mark Sheet
- ❑ School Leaving Certificate, Transfer Certificate or Migration Certificate (Original)
- ❑ Caste Certificate for a candidate belonging to Scheduled Caste (SC),
- ❑ Scheduled Tribes (ST) and Socially and Economically Weaker Sections (EWS).
- ❑ Socially and Educationally Backward Classes (SEBC) Certificate
- ❑ Non Creamy Layer Certificate of the family (Mandatory)
- ❑ Income and Asset Certificate for a candidate belonging to Economically
- ❑ Weaker Sections (EWS) (If Applicable)
- ❑ Certificate of Physical Disability, issued and duly signed by the Civil Surgeon/ competent Medical Authority, in case the candidate belongs to a PH Category (If applicable)
- ❑ Certificate of Ex-Servicemen
- ❑ Affidavits in case of discontinuity in education for one or more years
- ❑ Aadhar Card
- ❑ Latest Passport size photographs of the candidate (Three Photographs)

University Account Details

BANK ACCOUNT NAME K.K. UNIVERSITY
ACCOUNT NO. 68990100007970
BANK DAKSHIN BIHAR GRAMIN BANK
BRANCH BERAUTI, NALANDA-803115
IFSC CODE PUNBOMBGB06

Note: For admission to all technical /professional programmes like B.Tech. / Diploma in Eng. / MBA / MCA etc. the candidate has to pass the KKU Combined Entrance Test (KKUCET)/ Self Assessment Test or fall in Merit List.

Eligibility criteria and other relevant information

S. No.	Course/Discipline	Eligibility	Examination Pattern	Duration
	SCHOOL OF ENGINEERING & TECHNOLOGY			
1	**B.Tech (Regular)** Civil Mechanical Electrical Computer Science	Passed 10+2 with PCM with minimum 45% marks for Unreserved Category & 40% for SC/ST/OBC	Semester	8 Semesters
2	**B.Tech (Lateral)** Civil Mechanical Electrical Computer Science	a. Diploma in Engineering with minimum 45% marks for Unreserved Category b. B.Sc. With 45 % marks & 40% for SC/ST/OBC (Passed 10+2 with Maths as a subject).	Semester	6 Semesters
3	**M.Tech** Civil (Transportation Engineering/Structural Engineering) Mechanical (Manufacturing System Engineering) Electrical (Power System) Computer Science	B.Tech. / BE in respective branch with minimum 50% marks & 45% for SC/ST/OBC	Semester	4 Semesters
4	**Diploma (Regular)** Civil Mechanical Electrical	Passed 10th Standard / SSC Examination	Semester	6 Semesters
5	**Diploma (Lateral)** Civil Mechanical Electrical	Passed 10+2 with PCM/ PCBM/ 2 years ITI	Semester	4 Semesters
6	**BCA**	Passed 10+2 with PCM	Semester	6 Semesters
7	**MCA**	Passed BCA / Graduation with minimum 50% marks or 45% for SC/ ST/ OBC & 10+2/Graduation with Mathematics as subject	Semester	4 Semesters
8	**Ph.D(Full time/ Part time)**	As per UGC norms with minimum 55% in masters. Candidate with NET/GATE/JRF/GPAT/ ICAR-NET are exempted from entrance test but need to appear in viva.		
	SCHOOL OF PHARMACY & PARAMEDICAL SCIENCES			
1	**B.Pharm**	Passed 10+2 with PCM or PCB and English as one Subject (Minimum 17 years on or before 31st December of the year of admission)	Semester	8 Semesters
2	**B.Pharm (LE)**	Passed D.Pharm	Semester	6 Semesters
3	**D.Pharm**	Passed 10+2 with PCM or PCB	Annual	2 Years
	SCHOOL OF AGRICULTURE SCIENCES			
1	**B.Sc. (Hons) Agriculture**	Passed 10+2 with PCM/ PCB/ Agriculture with 40% Marks	Semester	8 Semesters
2	**M.Sc. Agriculture (Soil Science/Agronomy)**	Passed B.Sc (Hons) Agriculture with 60% marks and 55% marks for SC/ST	Semester	4 Semesters
3	**Ph.D(Full time/ Part time)**	As per UGC norms with minimum 55% in masters. Candidate with NET/GATE/JRF/GPAT/ ICAR-NET are exempted from entrance test but need to appear in viva.		

		SCHOOL OF EDUCATION, TRAINING & RESEARCH		
1	**B.Ed.**	Passed Bachelor Degree with 50% marks or BE/ B.Tech with 55% Marks	Semester	4 Semesters
2	**D.El.Ed.**	Passed 10+2 with 50% Marks Minimum Age: 17 Years	Annual	2 Years
3	**Ph.D(Full time/ Part time)**	As per UGC norms with minimum 55% in masters. Candidate with NET/GATE/JRF/GPAT/ ICAR-NET are exempted from entrance test but need to appear in viva.

TRAINING & PLACEMENT

When you start a new journey with **K. K. UNIVERSITY, NALANDA** there are enough learning opportunities available to ensure that you make informed decisions about your future and succeed in a highly competitive corporate world.

The department of training and placement has been designed specifically for emerging industry leaders from our University. The purpose of this department is to provide an efficient professional and productive environment for both corporate and students in their efforts to find the perfect person-position fit. The Training and Placement department offers a broad range of expertise services, programme and resources to assist students with their career development and job search.

Training and Placement Department responsibility is to integrate industry and academia and create a platform to ensure that the students at **K. K. UNIVERSITY, NALANDA** are having level playing field when it comes to various interventions and opportunities. It brings along innovation in skill development and employability amongst our students. Initiatives like providing Career Counselling, need based education and industry relevant curriculum and soft skills developments. It has the task to arrange and organise campus interviews, Job fair, Industry Internship opportunity, and industrial visits for students. Training and Placement department initiate continuous interaction with industry, sharing industry experiences, and understanding the needs of corporate world. The quality of our infrastructure, the teaching and learning methods ensures overall development of the students. We concentrate on the development of students and preparing them to become entrepreneur or to get into leadership positions in a rapidly transforming and challenging work environment. Training and Placement department also networks with the institution's alumni for creating more career opportunities.

CORE RESPONSIBLITIES :

- Students Personality development and grooming them in business.
- Upgrading communication (spoken, written and group discussion) skill.
- Organise guest lecture, work shops and seminars by industry expert.
- Arrange Internship and Apprenticeship in public and corporate sector follow by live projects.
- Interviews skills development program followed by Mock interviews, Aptitude and skill assessment.
- On Campus Placement drive and Job fair

About Garuda Aerospace

Garuda Aerospace a drone company, a human-centric brand that is focused on developing low-cost drone solutions to optimize industries through accurate data. At our core, we're a Drone-As-A-Software aggregator that designs impeccable drones for a myriad of human and industrial needs. We pride ourselves on the impactful intelligence our drone solutions have to offer. Having only started in 2015, we've already made a significant mark on the drone industry.

Garuda has 750+ satisfied clients all around India with 350 finished projects and 50 designed works. Our team includes 200+ employees, with a group of advisory board members, expertise heads for various departments, and wellversed pilots.

KKU Collaborated with Garuda Aerospace in advancing drone education and technology across the State of Bihar.

Workshop Prerequisite

Eligibility:
10th/12th/ITI/B.E/ B.Tech/ M.E/M.Tech/B.Sc.(Hons.) Agriculture
Aeronautical, Aerospace, Mechanical, ECE, EEE, EIE, ICE, CSE, IT, AI & Data Science, Nanotech, Mechatronics, Automobile, Manufacturing, Production, Industrial And Management, Robotics And Automation, Agricultural Engineering & Drone

Benefits:
*   Learn & Get Trained From The Direct Drone Manufacturer
*   Explore Drone Tests From D C A Approved Drone Pilots
*   Practical Knowledge & Skills
*   Enhanced Employability
*   Networking & Job Opportunities
*   Certificate For Every Individual (For All Trainings Above 4 Day)

Learning Outcomes :

Drone Pilot Training Learning Outcomes
*   Understand and apply key flight principles and safety protocols.
*   Demonstrate proficiency in operating various drone models.
*   Conduct pre-flight, in-flight, and post-flight procedures effectively.
*   Navigate and perform advanced flight maneuvers with confidence.
*   Adhere to regulatory requirements and industry best practices.

Drone Technical Training Learning Outcomes
*   Gain in-depth knowledge of drone systems and components.
*   Perform routine maintenance and troubleshooting for various drones.
*   Understand and implement pre-flight preparation and safety checks.
*   Apply aerodynamics principles to optimize drone performance.
*   Develop skills to assemble, calibrate, and repair drones.

Course Fee :

Drone Pilot Training		
S. No	Workshop Details	Course Fee
1	One to Two Days Workshop	2000 + GST/-
2	Three to Four Days Workshop	3000 + GST/-
3	Seven to Ten Days Drone Pilot Training "Licence will be Issued" (DGCA RPC)	25,000 + GST/-
4	Fifteen Days Workshop	10,000 + GST/-
Drone Technician Training		
1	Ten Days Workshop	10,000 + + GST/-

PROJECTS
OF SOME OF OUR STUDENTS
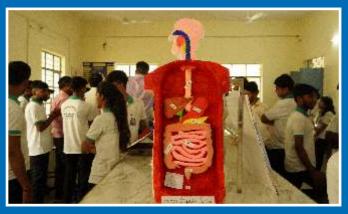

STUDENT TESTIMONIALS

Shivani Priya
B. Tech (E.E.)

I am currently pursuing my graduation in engineering at K.K University, Bihar. I have completed my intermediate from Gov. high school, Bihar in 2019.My time at K.K University has provided me an academically stimulating environment with top-notch facilities and infrastructure. Highly-educated and enthusiastic faculties played a vital role in shaping up my career. The vast opportunities and the competitive environment have always helped to bring the best out of me. It was during my third year of bachelors; I realized my passion for research. The extensive support from the head of the department and our beloved Chairman helped me to obtain the first taste of research. Apart from academics, other extra-curricular activities are also highly rated in K.K University. I was part of IEEE at K.K University where I was given chances to showcase my skills at the national and international levels. I am happy and grateful to have done my bachelors in K.K University.

Ankur Raj
B. Tech. (E.E)

I can honestly say that it is one of the best experiences of my life. The professor is knowledgeable and passionate about their subject and they provided a grate learning environment. The campus is beautiful and the facilities is on top-notch. The institute is technologically advanced and offers an ideal study environment. Here you will find people who will support you and guide you on the path to your degree. The faculty members are helpful and informative. There is a wide range of courses that involve not only technical understanding but applied learning. I want to thank the Department of Electrical Engineering for providing the best curriculum with highly-qualified professors and the placement team for conducting various technical and soft skills sessions. Overall, K.K UNIVERSITY giving me an amazing college experience that I will never forget.

Ankit Kumar
Diploma in Civil Engg.

KKP is a wonderful place for all the students seeking the right career. My college has given me and all my friends a lot of opportunities to get the right job. The staff at KKP is very supportive and really takes a lot of pain to develop the students. I am thankful to my faculties, staff and management of KKP for my success.

Dipika Sinha
Diploma in Civil Engg.

Kudos to the Faculty and Placement Cell of KKP. The College has always provided me with every assistance that I have always wanted to. I was able to refine my overall Performances and build- on my Soft & amp; Hard Skills. I will always be grateful to them for providing me a platform of practical learning and preparing me for the corporate life.

STUDENT TESTIMONIALS

Shashi Ranjan
MBA

SCM gave us an opportunity to enhance our skills for our bright future. The teaching faculties are truly mentors who are always ready to help students. I thank SCM and faculties for putting in all efforts to groom us and make us corporate professionals. It is a wonderful experience at SCM.

Manthan Korachh
MBA

Enrolling myself in MBA has given me skills to enhance my career, become a better leader and manager with all learning opportunities. It has given great exposure to my career.

Akansha Kumari
MBA

MBA in KKU has helped me enhancing my communication, managerial and professional skills. The faculties are very co-operative and help the students to achieve their desired goals in the corporate field.

Akash Kumar
MBA

Being Student of MBA in KKU has a great experience. The teachers are very co-operative and the overall experience being here is amazing. The confidence and inter-personal skill learnt here has provided me wings to fly. Thanks to SCM and its faculty members

STUDENT TESTIMONIALS

Sejal Kumari
BBA

I have been here at KKU-BBA programme for the last one and a half year. The course is excellent and workshops, seminars and case based studies have provided me a broader insight about the corporate world. I am looking forward for a beautiful and memorable journey here in KKU.

Spriya Verma
M.Com

I can say SCM has made me a better person. It has helped me develop a positive attitude towards my studies and discover more about myself. SCM is stage that is helping us to achieve our dreams.

Sonali Kumari
B.Lib. Isc.

I thank K.K University & School of Library and Information Science for putting in all the efforts to groom us and make us Library professionals. It was a wonderful experience at K.K University. My experience at K.K University is great and memorable. The teachers and mentors are really helpful and helped me to improve my academic and professional skills. The department is attached with central library where students can get real experience to how a library functions. Central library is fully automated with SOUL Library management software which was the golden opportunity for me to get training on this Library management software.

Sujata Kumari
M.Lib. Isc.

School of Library and Information Science of K.K. University has always believed in helping and guiding its students. Regular classes held at our department to help us with our aptitude and technical skills were of great help. My one year at K.K University have been excellent and a memory to cherish for a lifetime. The year spent here have been full of learning opportunities that were full of fun and frolic and sometimes with academic grind that one has to go through. K.K. University is providing a quality education in the field of Library and Information science. This school provides theoretical knowledge with practical skills and training. There are qualified faculties to teach and train student with latest information technologies which is being used in most of libraries to provide quality library and information services in this digital era.

STUDENT TESTIMONIALS

Sweety Kumari
B.Sc. (Agriculture)

I am the student of 8 th semester (4 th year) of B.Sc (Agriculture) from K.K. University. I like the faculty and I feel, I have the best environment for my study. I learned many new things from my teachers who are very helpful in every way they can. The teacher-student interaction is great. The teachers are very friendly because of which, I could clarify many of my doubts. KK University is one of the best university in Bihar.

Anshul Kishore Pd.
B.Sc. (Agriculture)

I am pursuing B.Sc. (Ag) from this University. The infrastructure is very good. It has all the facilities like wi-fi enabled computer labs with latest specifications, well established centralized library, well equipped laboratory, seminar hall, hostel, canteen etc. The whole campus is always clean and tidy. The professors here are very qualified and experienced. They are very supportive and cooperative and help us in every possible way. They are giving us full efforts to study and also they are conducting many quiz competitions, debates, art and painting, dance, singing etc. Placement is good.

Mona Kumari
B.Sc. (Agriculture)

I am the student of 6 th semester. I am hosteller here. The environment of the university is excellent. I have learned many new things from my teacher who were very helpful in every way could. Every year students get placed in reputed companies from here. In this University, teachers mainly focus on practicals because this is the key of understanding the theoretical concepts. Practical classes are conducted regularly by our faculties. I like my faculties and feel I had best environment for my studies. I can assure you that you are selecting best option by studying here.

Rustam Rangrajan
B.Sc. (Agriculture)

My experience at K.K. University has been unforgettable from the start. The hands on nature of the programs make learning very accessible. It's a very friendly atmosphere in campus and everyone has welcomed me with open arms. felt at home at SOA from the beginning and happy, I made the decision to come here.

Rule and Regulations

A. Acts of Indiscipline

The following actions could be considered as acts of indiscipline;

25. Students may be subject to rules and Policy related to conflict of interest, especially if they are involved in research or other activities that could create a conflict of interest.
26. Students may be encouraged or required to participate in community service or volunteer activities.

PREVENTION AND PROHIBITION OF
RAGGING

Stop Ragging

Ragging Free Campus

K. K. University is deeply committed to ensuring a safe and supportive environment for all students, and as such, has established an Anti-Ragging Cell to prevent and address any incidents of ragging. The Anti-Ragging Cell aims to create awareness about the harmful effects of ragging, ensure a ragging-free campus environment, and provide support and assistance to victims. Students are encouraged to report any incidents of ragging to the Anti-Ragging Cell via phone at **+91 92641 93627** or email at **help.antiragging@kkuniversity.ac.in**. The national anti-ragging helpline, **1800-180-5522**, is also available 24/7 or email to **helpline@antiragging.in**

for additional support. All reports will be treated with confidentiality, and prompt action will be taken against those found guilty of ragging. The cell also offers counselling and support services to victims. Together, we strive to maintain a respectful and secure campus environment.

K. K. PUBLIC SCHOOL

K. K. Public School is an English medium residential school from classes Nursery to XII affiliated to the CBSE, New Delhi, Affiliation No.: 330870. Service is the core philosophy of the school and believes in the aristocracy of the service. The school is inspired by the ancient scriptures from SHRIMAD BHAGAVAD GITA and teaches its chapters to the students of classes III to VIII. The school also pays special emphasis on character building amongst its students as it believes that character forms the basis of humanity.
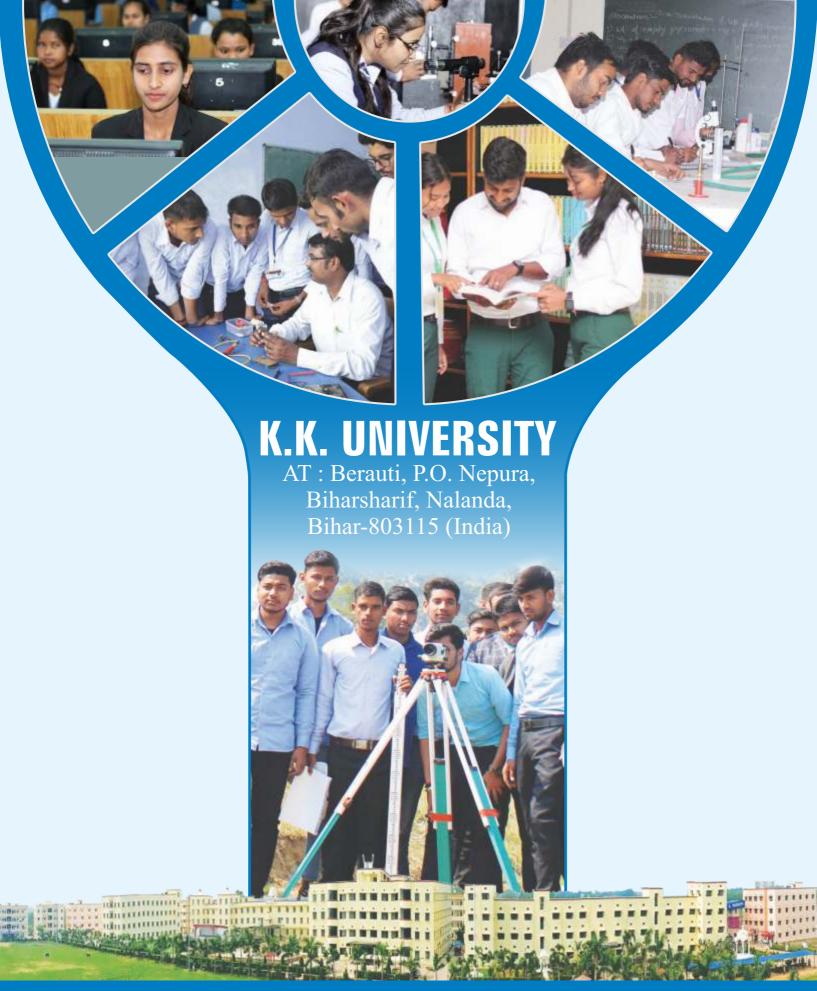

Classrooms are equipped with digital smart boards to facilitate e-learning and project-based learning. These classrooms involve students in a wide array of skill-based projects including Mathematics, Language, Arts, Geography, History and Science etc. Students experience hands-on learning along with well-equipped laboratories for Science, Home Science and Computer Science.

A strong foundation is established in a stimulating and colourful environment showcasing pupils' work that highlights individual presentation and values internal assessment. Students are trained using the latest pedagogical approaches and comprehensive test series to ensure success in final examinations.

Environment related classes, projects, sapling plantation are conducted to foster a connection with nature among children.

Medical Facilities are provided in the campus.
