## 10. Sports Facilities

The University prides itself on its extensive sports facilities designed to promote physical fitness and team spirit among students. The campus features a state-of-the-art cricket ground, a football ground, and dedicated courts for volleyball and basketball. Traditional Indian sports like kho-kho, kabaddi are also well-supported, alongside facilities for athletics. For indoor sports enthusiasts, the university provides well-equipped areas for carrom, table tennis, and chess. Additionally, there is an open-air gymnasium that allows students to enjoy workouts in the fresh air. These facilities ensure that students have ample opportunities to engage in diverse sports activities, fostering a balanced and active lifestyle.

## 12. Examination Schedule

The University follows a structured Examination Schedule designed to ensure timely assessments and promote academic progress across all programs. The examination system includes mid-term exams, end-term exams, practical exams, and continuous assessments based on the course structure. Operating on a semester-based system, the academic year is divided into odd (July-December) and even (January-June) semesters. Mid-term exams occur mid-semester, helping students gauge their understanding, while end-term exams take place at the semester's end, covering the full syllabus. Practical exams, internal assessments, and supplementary/backlog exams are conducted as required. The Examination Department issues timetables and notifications in advance, and results are declared a few weeks post-exams, ensuring a smooth academic process.

## 14. Health and Awareness Initiatives

University has actively promoted health and wellness among its students, faculty, and staff by organizing various health awareness programs. In recently organized three impactful health awareness programs were undertaken: **a Blood Donation Camp, a Health Camp, and the Nasha Mukti Abhiyan**. These initiatives aimed to foster health consciousness and encourage responsible behavior within the university community. **Blood Donation Camp:** The University collaborated with a local hospital to host a Blood Donation Camp. This initiative fostered a sense of social responsibility and empathy within the university community. **Health Camp:** A comprehensive Health Camp was organized on campus, offering free medical check-ups, including blood pressure monitoring, BMI assessments, eye check-ups, and consultations with general physicians. The camp also offered guidance on maintaining a healthy lifestyle, with an emphasis on nutrition and exercise. **Nasha Mukti Abhiyan:** In alignment with the government's initiative to fight drug addiction, K.K. University held the Nasha Mukti Abhiyan, raising awareness about the dangers of substance abuse. Students were educated on the harmful effects of drugs and alcohol and were encouraged to live a healthy, addiction-free life.

## 15. Celebration of Important Dates and Cultural Activities

The University is committed to promoting a well-rounded education by celebrating significant academic and professional days. These events highlight the contributions of various professions and inspire students to excel in their respective fields.

University commemorates **National Science Day** annually to honor the discovery of the Raman Effect by Indian physicist Sir C.V. Raman. The day features seminars, science exhibitions, and interactive sessions with renowned scientists and researchers.

To emphasize the importance of literacy as a key driver of social and personal development, K.K. University hosts activities on **International Literacy Day**. Events include literacy workshops, book donation drives, and discussions on global literacy challenges. These activities help create awareness about the importance of education and inspire students to engage in community service, especially related to teaching and education outreach programs.

K.K. University celebrates **World Environment Day** with a range of activities aimed at raising environmental awareness and promoting sustainability. Tree plantation drives, clean-up campaigns, and expert talks on environmental conservation are some of the activities organized to inspire students to become environmentally responsible citizens.

**Pharmacist Day**, to recognize the critical role of pharmacists in healthcare, K.K. University celebrated World Pharmacist Day with a series of seminars and workshops. The event also included awareness campaigns on the safe use of medications and the importance of pharmacists in public health.

**Farmers Day**, dedicated to honoring the contributions of farmers to the nation, was marked by discussions on sustainable agriculture, modern farming techniques, and the role of technology in farming. Students from agricultural and related disciplines participated in workshops aimed at understanding the challenges faced by farmers and exploring solutions to improve agricultural productivity.

**International Women's Day** at K.K. University was celebrated with panel discussions, workshops, and events focusing on gender equality, women's empowerment, and leadership. The university invited accomplished women professionals to share their experiences and inspire students to break barriers in their respective fields.

The University thrives on a vibrant cultural scene that enriches student life. The university hosts various cultural activities, from dance and music performances to theatre and literary events. These activities provide students with a platform to showcase their talents and celebrate diverse traditions.

University encourages students to broaden their knowledge beyond the classroom and become active participants in the global academic and social landscape. It reinforces the importance of different professions and social issues, motivating students to engage in meaningful learning and societal contributions.

# के.के. विश्वविद्यालय के फार्मसी छात्रों ने गुरुओं के गरिमा को दिया सम्मान

आइडियासिटी संवाददाता

बिहारशरीफ : के.के. विश्वविद्यालय, नालंदा के स्कूल ऑफ फार्मसी एंड पैरामेडिकल साइंसेज के बी.फार्म और डी.फार्म के छात्रों ने बीते सप्ताह शिक्षक दिवस के अवसर पर अपने गुरुओं के गरिमा को उत्साह पूर्वक सम्मान दिया। यह दिवस भारत के प्रथम उपराष्ट्रपति और द्वितीय राष्ट्रपति तथा भारत रत्न से सम्मानित डॉ. सर्वपल्ली राधाकृष्णन की जयंती के उपलक्ष्य में मनाया जाता है। कार्यक्रम की शुरुआत संस्थान के डीन प्रोफेसर डॉ.आरिफ नसीर द्वारा दीप प्रज्वलन के साथ हुई। इस अवसर पर सभी संकाय सदस्य और छात्र उपस्थित थे। इसके बाद छात्रों के विभिन्न समूहों के साथ केक काटा गया। इस अवसर पर डीन महोदय ने अपने प्रेरणादायक शब्दों से सभी को संबोधित किया। उन्होंने डॉ. राधाकृष्णन के दृष्टिकोण को याद किया और कहा कि ग्रामीण क्षेत्र के छात्रों को भी शहरी छात्रों की तरह व्यावहारिक और करियर-उन्मुख ज्ञान तथा अपने विषय का व्यापक अनुभव मिलना

चाहिए। उन्होंने छात्रों को प्रेरित करने के लिए कुछ प्रोत्साहक उदाहरण दिए और सभी को विकास करने, करियर पर ध्यान केंद्रित करने, एक अच्छा इंसान बनने और बड़े सपने देखने के लिए प्रोत्साहित किया। डीन महोदय ने समाज में शिक्षकों की भूमिका पर भी प्रकाश डाला। उन्होंने कहा कि शिक्षक राष्ट्र निर्माता हैं क्योंकि वे कल के नेताओं को तैयार करते हैं। छात्रों को अपने करियर में उत्कृष्टता प्राप्त करने के लिए पूरे समर्पण के साथ अपने शिक्षकों के पदचिह्नों का अनुसरण करना चाहिए। कार्यक्रम में संकाय सदस्यों

मुस्कान कुमारी, गुलशन कुमार, डॉ. संजय कुमार, डॉ. कौशल कुमार गुप्ता, कृति रश्मि, सुश्री मनु प्रिया और अशुल पांडे ने भी अपने अनुभव साझा किए। छात्रों द्वारा प्रस्तुत भाषण, गीत, नृत्य, कविता और मिमिक्री ने सभी दर्शकों को मंत्रमुग्ध कर दिया। विशेष रूप से बी.फार्म तृतीय सेमेस्टर के छात्र जयशंकर और ज्ञानचंद की मिमिक्री ने सबका दिल जीत लिया। कार्यक्रम के अंत में सभी संकाय सदस्यों को स्मृति चिह्न प्रदान किए गए। धन्यवाद ज्ञापन और समूह फोटोग्राफी के साथ यह समारोह संपन्न हुआ।

## 16. University Best Practices

The University is committed to maintaining the highest standards of excellence through its best practices. This includes a student-centric approach that prioritizes holistic development, integrating academic rigor with co-curricular activities to foster well-rounded individuals through the following best practices initiative.

- a. Flexible and adaptive interdisciplinary programmes.
- b. Curriculum reviewed by industry and academia.
- c. Remedial and Bridge courses are provided for the weaker and economically disadvantaged students to provide a holistic outlook that helps them transition from K-12 to Higher Education. This effort is to enable a shift from simple problem solving to problem identification and analysis with a strong focus on community, ethics, and teamwork.
- d. Students are required to undertake a semester long Research Project with a faculty member of their choice, in an interdisciplinary manner. This is to enable them an opportunity to work with faculty and peer students on problems.
- e. Faculty Mentorship Programme is dedicated to the wellbeing of the student's fraternity to enhance and upskill the student's morale and performance.
- f. Dedicated classrooms with Smart Boards & steady internet connectivity.
- g. Free shuttle service for students, faculty and staff.
- h. Emergency medical concerns are facilitated through the Bhagavan Mahavir Institute of Medical Science (VIMS), Pawapuri (Approx. 6 kms from the K.K.U Campus)
- i. In respect to the progress towards the gender equality (SDG 5) the university makes a progressive attempt in female social mobility. The university encourages active participation of female student enrollment (10 % increase from the previous 2 years) sports activity, internships, field survey and other campus activities.
- j. The university also employs a continuous evaluation system to ensure academic quality, alongside robust faculty development programs that keep educators at the forefront of their fields.
- k. The University emphasizes ethical conduct, transparency in administration, and a vibrant research culture, encouraging innovation and critical thinking among students and faculty alike.
- l. The university's commitment to sustainability is evident in its Green Campus program, which includes solar panels, rainwater harvesting, and extensive recycling efforts.

These examples demonstrate how K.K. University's best practices are seamlessly integrated into its operations, fostering an environment of continuous improvement and excellence.

## 19. New Initiatives

The following new initiatives were taken by the University

### a. Tree Plantation

In the last academic year 2023-2024 we successfully planted more than 2500 ornamental plants including shrubs. We have also taken measures to sustain and look after them by employing gardeners and staff taking personal interest in their growth. This has not only brought greenery but also made both of students and staff understand the importance of planting for the environment but also is a sentimental attachment for the ones who planted the plants. All this was done under the Central Government policy of Ministry of Environment, Forest and Climate Change "Van Mahotsav: A Commitment of India.

### b. Rain water Harvesting

Keeping in line with both the State and Union Government guidelines on Rain Water Harvesting Policy, we are working on rain water harvesting, which should provide us with enough water for our daily use and will not deplete our water levels. "The Government of India's 2024 rainwater harvesting policy and guidelines are part of the Jal Shakti Abhiyan: Catch the Rain (JSA: CTR) campaign, which runs from March 9 to November 30, 2024. The campaign's theme is "Nari Shakti se Jal Shakti" and focuses on the role of women in water conservation."

### c. Solar Pannels

The central government policy on generating electricity through installing Solar Pannels is being implemented in our campus in both letter and spirit. We have installed solar panels to generate 30 KVA of electricity. Dedicated Electric feeder is in process of installation. Subsequently, the Solar Panel will be functional.
